ADDENDUM No. 3

dated August 6, 2004 to the
Renewable Energy Supply (RES Contract)
associated with the Ministry of Energy's
Request for Proposals for
300 MW of Renewable Energy Supply
referenced as RFP No. SSB-065230

In accordance with Section IV.B.iii of the Renewables RFP, this Addendum No. 3 contains amendments to the RES Contract posted on the Ministry's Renewables RFP website on June 24, 2004 (as amended to the date hereof) which will be reflected and incorporated into the RES Contract to be executed by the Buyer and Successful Proponents. Prospective Proponents are advised that the Proposal Submission Deadline under the Renewables RFP shall not be extended by virtue of this Addendum.

1. In Section 1.1, the following new definition is added:

   "**Term Commencement Date**" means the first day of the Term.

2. Delete the capitalized term "**Commercial Operation Date"** where it appears in the definition of "Contract Year" in Section 1.1, and wherever it appears in Sections 2.5(c), 3.1(b), 3.5, 6.1, 6.2(b), and 16.7, and replace it with the capitalized term "**Term Commencement Date**".

3. In Sections 3.1(a) and 6.2(a), delete the phrase "Prior to the Commercial Operation Date," and replace it with the phrase "Prior to the Term Commencement Date, where the Commercial Operation Date occurs after the date of this Agreement,".
