ADDENDUM No. 3

dated August 6, 2004 to the
Ministry of Energy's Request for Proposals for
300 MW of Renewable Energy Supply
referenced as RFP No. SSB-065230

In accordance with Section IV.B.iii of the Renewables RFP, this Addendum No. 3 contains amendments to the Renewables RFP posted on the Ministry's Renewables RFP website on June 24, 2004 (as amended to the date hereof), which shall form an integral part of, and supercede those portions of, the Renewables RFP as more particularly set out below. Prospective Proponents are advised that the Proposal Submission Deadline shall not be extended by virtue of this Addendum.

1. The following new definition is added to Appendix B, Glossary of Terms:

Term Commencement Date	Means the first day of the Term.

2. Delete the capitalized term "**Commercial Operation Date"** wherever it appears in:

   a. the first paragraph of Section II.D entitled "The Renewable Generating Facility";
   b. the first paragraph of Section V.A entitled "Structure"; and
   c. the first bulleted paragraph of Section V.C. entitled "Payments",

   and replace it with the capitalized term "**Term Commencement Date**".
