Date: 21/04/2022

Following the Long-Term RFP Community Engagement Indigenous Breakout Discussion webinars held on April 12 and 19, 2022, the Independent Electricity System Operator (IESO) is seeking feedback as outlined during the presentation. A copy of the presentation as well as a recording of the session that includes an overview of the feedback request, can be accessed from the [engagement webpage](#).

**Please submit feedback to [engagement@ieso.ca](mailto:engagement@ieso.ca) by May 10, 2022.**

Topic	Feedback
What questions do you have related to Ontario's emerging electricity needs? What more do you need to know about the procurement process?	What is the contractual process for a Power Purchase agreement?
What additional Indigenous project participation opportunities should be considered in the procurement design?	A 1.2 MW Hydro Electric project on an existing dam in Latchford Ontario in potential partnership with Temagami First Nation, Timiskaming First Nation, Coleman Township, and the Town of Latchford. And a Temagami First Nation 3.4 MW Biomass CHP facility in Temagami, Ontario
