

# EDUCATION AND CAPACITY BUILDING PROGRAM 7.0 FINAL REPORT

SUBMIT VIA EMAIL (PDF WITH SIGNATURE) TO THE IESO'S FIRST NATIONS AND METIS RELATIONS– ENERGY SUPPORT PROGRAMS AT [ECB@ieso.ca](mailto:ECB@ieso.ca)

This is the Final Report in respect of the Education and Capacity Building Program Funding Agreement between the IESO and the Recipient (the “**Funding Agreement**”). Capitalized terms used but not defined herein have the meanings ascribed to them in the Funding Agreement.

## Instructions:

- The Report must be signed by an authorized signing officer of the Recipient or Lead Recipient, as applicable.
- A completed Final Report must be submitted with a Request for Payment for the Final Disbursement.
- The Final ECB Disbursement will not be processed until this Report has been completed and submitted.
- Ensure all other Deliverables outlined in your Funding Agreement are submitted with the Request for Funding for a Final Disbursement.
- Please contact your IESO contract analyst should you have any questions.

<b>Date of Final Report</b>			
<b>Name of Recipient/Joint Recipients (if applicable)</b>			
<b>Name of Lead Recipient (if applicable)</b>			
<b>Funding Agreement Identification Number</b>			
<b>Project Name</b>		<b>Date</b>	
<b>Funding</b>	<b>Maximum Funding Amount:</b>		
	<b>Funding disbursed by IESO to date:</b>		
	<b>Funding Spent to Date:</b>		
	<b>Funding amount remaining for Recipient:</b>		

<b>1. Work to date: Provide an overview of the results of the work undertaken in respect of ‘Schedule C’ the Work Plan of the Funding Agreement.</b>			
<b>Activity</b>	<b>Date range (dd/mm/yy)</b>	<b>Detailed description of the work undertaken</b>	<b>Project Team members involved in the applicable activity and description of their respective roles and responsibilities</b>

**2. Please provide a summary of the results from the Initiative.** (A separate more detailed account of the results can be submitted, indicating “see attached” in the box below and attaching the document accordingly.)

**3. Please describe how participants were engaged throughout the Initiative.** How many community members have been engaged in the project during the past year?

*Examples of engagement include participating in an education workshop or providing input into a Community Energy Plan.*

**4. Please describe how the capacity and/or skills of the Target Audience have increased as a result of the Initiative and identify areas that require further development.**

Do you believe that participating in the ECB has advanced or will advance the economic development objectives of your community or organization? (Y/N)

*Examples of how program participation could advance economic development objectives might include creating employment opportunities, reducing energy costs for businesses, or enabling community expansion.*

**5. Were there any jobs, apprenticeships or mentoring opportunities created through the Initiative? (Y/N/Not Applicable)**

How many Full-Time equivalent (FTE) roles were created or maintained in the past year in a First Nations or Métis community or organization enabled by community or organization participation in the ECB?

*A Full Time equivalent (FTE) role is considered to be a position with 35 or more paid hours of work a week.*

**6. Please describe any other success measures that resulted from this Initiative.**

How many community members have received formal training or education certification from a recognized institution in the past year enabled by community or organization participation in the ECB?

*Examples would include receiving a Certified Energy Manager designation or completing a course delivered by a college recognized by the Ministry of Training, Colleges, and Universities.*

**7. Do you believe that participation in ECB has enabled or will enable your community or organization to spend less money on electricity, wood, propane, gasoline, diesel, or other fuels than it would have otherwise?**

Q7b: If possible, please estimate how much money on an annual basis.

Q7c: Do you have any other comments on this question to share?

**8. Do you believe that participation in ECB has enabled or will enable your community or organization to reduce consumption of diesel to generate electricity if reliant on diesel? (Y/N/Not Applicable)**

Q8b: If possible, please estimate how many liters on an annual basis.

Q8c: Do you have any other comments on this question to share?

**9. Do you believe that participating in the ECB has generated or will generate health or social benefits for your community or organization? (Y/N)**

Examples of health and social benefits include:

- *Reduced air and water pollution*
- *Safer, healthier housing*
- *Improved access to community services*
- *Improved food security*

**10. Do you believe that participation in ECB has enhanced or will enhance your community or organization's energy security?**

Energy security is defined as the uninterrupted availability of energy at an affordable price.

Q10b: Do you have any other comments on this question to share?

\_\_\_\_\_
