

Request for Hydro One Networks Inc. Asset Demographic Information

The Independent Electricity System Operator (“IESO”) has coordinated with Hydro One Networks Inc. (“Hydro One”) to provide interested stakeholders access to age demographic information for major high-voltage transmission facilities in Ontario (facilities greater than 100 kV). This information is currently limited to Hydro One owned transmission assets, and may be expanded to include other Transmission Asset Owners in the future. This information will receive updates on a five-year frequency. To obtain future updates, it would need to be requested again using the process in place at that time.

Questions regarding this form or the process for disclosure may be directed to IESO Customer Relations at customer.relations@ieso.ca. The IESO and Hydro One may not be able to respond to specific questions or queries related to the data.

1. This request form is to obtain the Asset Demographic Information that is current at the time of submission.
2. The disclosure of this information is discretionary and subject to the Disclaimer to be provided with the information. The IESO may reject your request for any reason.
3. Complete all fields of the Request Form, below, and submit it by email to customer.relations@ieso.ca. Upon receipt, the IESO will review the request form for completeness, and send a file or files containing the information to the email address provided.

First Name: _____
