

Resolution of the
IESO Board of Directors

Independent Electricity System Operator

March 10, 2021

**In Respect to a Recommendation from the Technical Panel on Market Rule
Amendments**

CONCERNING MR-00447-R00: CMSC Recovery from Dispatchable Loads enabling the recovery of inappropriate congestion management settlement credit (CMSC) payments from dispatchable loads when those payments are a result of actions taken to prevent endangering the safety of any person, equipment damage, or the violation of any applicable law.

WHEREAS the IESO engaged with stakeholders through an October 27, 2020 Public Information Session and requested stakeholder comment on the draft market rule amendments;

WHEREAS this proposal is intended to align the recovery of CMSC payments made to dispatchable loads to the recovery of CMSC payments made to dispatchable generators;

WHEREAS the Technical Panel voted unanimously to recommend MR-00447-R00 for approval by the IESO Board;

WHEREAS the Markets Committee reviewed and recommended MR-00447-R00 for approval by the IESO Board;

BE IT RESOLVED THAT the Board accept the unanimous vote and recommendation from the Technical Panel to approve MR-00447-R00 to come into effect on April 6, 2021.
