

FOUR-HOUR PREDISPATCH ENERGY MARKET INFORMATION REPORT

Report Name: Predispatch Constrained Four Hour Energy Market Information

Recipient: MP Specific.

NOTE: This report is identical in structure to the Hourly Predispatch Energy Market Information Report (MP specific). It will only contain predispatch results for the next 4 hours and will be produced before the same report for the full predispatch timeframe. When the 4 hour period crosses a day boundary, a separate report will be generated for each day.
