**Subject:** Reminder | SSM HLD Q&A | This Friday

Good Morning,

A friendly reminder that this Friday November 2, the IESO is hosting a Question and Answer session for stakeholders who are working through the Single Schedule Market (SSM) High-Level Design (HLD).

The IESO will not be delivering a presentation or sharing any new information on the MRP initiative at this session. This time has been dedicated to provide stakeholders with an opportunity to ask the IESO questions that they may have, in order to help inform their feedback on the HLD. The IESO has requested stakeholder feedback on the SSM HLD by November 22. In addition to asking questions during the session, the IESO encourages questions in advance that can be sent to [engagement@ieso.ca](mailto:engagement@ieso.ca).

To register for the session, please click on the following link:
