

## microFIT Eligible Participant Schedule

### Please Note

The microFIT Eligible Participant Schedule is subject to review and updating.

In particular, the OPA notes that the microFIT Eligible Participant Schedule is designed to ensure that the microFIT Program is primarily focused on non-commercial applicants. The OPA is working to develop changes to the eligibility criteria that will put in place appropriate safeguards to ensure that this policy goal is achieved.

Version dated September 24, 2010
