The Supplier is requesting a Contract amendment pursuant to the terms of the microFIT Contract. A microFIT Contract amendment **requires the IESO's consent in writing**, which shall not be unreasonably withheld. A Contract amendment will not be effective unless and until the IESO has granted its consent in writing. The IESO will notify the Supplier in writing when the amendment has become effective.

For the purposes of making an amendment to the microFIT Contract, this Amendment Request Form must be completed legibly, in full and be executed by the Supplier. This Amendment Request Form may be executed in one or more counterparts, each of which shall be deemed an original, but all of which taken together constitute one and the same instrument. The Supplier may request an amendment to the Contract in relation to the following items:
