Regional Electricity Planning in Toronto Region – September 12, 2023

Feedback Provided by:

Name: Avia Eek

Title: Holland Marsh Farmer/Councillor for Ward 6 Township of King

Organization: Eek Farms/Township of King

Email: [REDACTED]

Date: September 13, 2023

To promote transparency, feedback submitted will be posted on the GTA North [engagement webpage](#) unless otherwise requested by the sender.

Following the GTA North (York Region) regional electricity planning webinar held on September 12, 2023, the Independent Electricity System Operator (IESO) is seeking feedback on the [draft Scoping Assessment Outcome Report](#) posted on the IESO's [website](#). The draft report and webinar presentation, which provides an overview of these feedback requests, can be accessed from the [engagement webpage](#).

Please submit feedback to engagement@ieso.ca by September 26, 2023. If you wish to provide confidential feedback, please submit as a separate document, marked "Confidential". Otherwise, to promote transparency, feedback that is not marked "Confidential" will be posted on the engagement webpage.

Topic	Feedback
<p>What additional information should be considered as part of the Scoping Assessment?</p>	<p>Will any transmission options be considered along the 400-404 Connecting Link (Bradford Bypass) highway corridor, where feasible, to support continued growth and requisite electricity needs for Northern York Region and Bradford West Gwillimbury, rather than potentially running hydro corridors through the middle of agricultural fields?</p>
<p>What other considerations should be made regarding the areas identified as requiring further study through a regional planning approach based on local developments?</p>	
<p>What other areas or specific considerations should be examined through regional planning?</p>	

General Comments/Feedback

Thank you for the opportunity to gain important information about how electricity is provided to our many diverse communities, and the opportunity given the attendees to help provide solutions and knowledge as we continue to grow and move forward.
