Summary

The IESO proposes a number of minor amendments to the market rules. These amendments correct typographical errors, cross-references, italicizes defined terms, removes inactive market functions that have remained in the market rules, and provides further clarity on the effective date of reliability standards in Ontario. The amendments relate to a number of different areas of the market rules, and for efficiency, have been submitted as a single “omnibus” package.

Background

Minor market rule amendments are defined in Chapter 11 of the market rules as:

“.....an *amendment* to the *market rules* to correct a typographical or grammatical error, or to effect a change of a non-material procedural nature;”

PART 4 – PROPOSAL (BY SUBMITTER)

Provide your proposed amendment. If possible, provide suggested wording of proposed amendment.

Amend the market rules to correct typographical errors, cross-references, italicize defined terms, removes inactive market functions, and provide further clarity on the effective date of reliability standards in Ontario.
