PART 2 – INFORMATION ABOUT THE WAIVER APPLICATION

1. This waiver form is for the general waiver process. Are you also requesting an interim waiver?

☐ Yes ☒ No

2. Is this waiver application being submitted for existing facilities or equipment pursuant to Section 14.12 of Chapter 1 of the *Market Rules*?

☐ Yes ☒ No

3. Please specify the duration for which you would like the waiver granted in days, months or years:
Indefinite

4. Are you requesting priority sequencing of your waiver application?

☒ Yes ☐ No

Please cite the Market Rules Section Number(s) to which this Waiver Application relates:

Chapter 9, Section 6.18.12

Chapter 9, Section 6.3.14

Please cite policy, standard or procedure to which this Waiver Application relates (including section number(s)):

PART 3 – SUBMISSIONS IN SUPPORT OF WAIVER APPLICATION

Attach a waiver applicant's plan detailing:

- The manner and time within which the waiver applicant will become compliant with the obligation or standard to which the waiver application relates;
- The manner in which the waiver applicant proposes to modify its equipment or facilities or otherwise conduct its operations during the period of time for which the waiver would be in effect; and
- The waiver applicant's estimate of any costs that may be imposed on the IMO or on other Market Participants, if the waiver were granted;

The following submissions must be included, either as attachments or in the space provided below:

- The waiver applicant's assessment as to whether or not the waiver, if granted would:
 - ◆ Materially threaten the ability of the IMO to direct the operations and maintain the reliability of the IMO-controlled grid;
 - ◆ Materially threaten the ability of the IMO to ensure non-discriminatory access to the IMO-controlled grid;
 - ◆ Unless the waiver applicant is the IMO, materially affect the ability of the IMO to operate the IMO-administered markets in an efficient, competitive and reliable manner;
 - ◆ Provide the waiver applicant with an undue preference within the IMO-administered markets;
- An assessment of the costs or delay to the waiver applicant of complying with the obligation or standard to which the waiver application relates;
- Where the waiver applicant is the IMO, identification of the benefit to Market Participants of compliance with the obligation or standard to which the waiver application relates relative to the financial and other resources required to achieve compliance within such deadlines as may be applicable;
- Where the waiver applicant is the IMO, the manner in which it proposes to operate the IMO-administered markets or direct the operations and maintain the reliability of the IMO-controlled grid during the period in which the waiver would be in effect;
- Identification as to whether the facility or equipment that is the subject-matter of the waiver application:
 - ◆ Was in service or was returned to service on the date on which the obligation or standard to which the waiver application relates came into force;
 - ◆ Was ordered by the waiver applicant on or prior to the date on which the obligation or standard to which the waiver application relates came into force; or
 - ◆ Was in the process of construction on or prior to the date on which the obligation or standard to which the waiver application relates came into force.

Submission Information:

National Research Council Canada, as a Federal Agency can not use a bank for financial transactions. Public Works Canada issues the cheques for NRC for the purchase of utilities.

The Federal Government Payment policy that we are operating under, the payment can be made only after the receipt of goods and services. NRC is prepared to make special arrangements to make the payment within ten days upon the receipt of invoice.

Credit reference letters confirming the excellent payment history record, for the purchase of electricity from Ontario Power Generation and Ottawa Hydro were submitted with the original application.

PART 3 – SUBMISSION IN SUPPORT OF WAIVER APPLICATION (CONTINUED)

PART 4 – SUMMARY OF SUBMISSIONS IN SUPPORT OF THE WAIVER APPLICATION

Please summarize the information provided in Part 3. This summary will be posted on the IMO public Web site.

Summary:

National Research Council Canada, as a Federal Agency can not use a bank for financial transactions. Public Works Canada issues the cheques for NRC for the purchase of utilities.

The Federal Government Payment policy that we are operationg under, the payment can be made only after the receipt of goods and services. NRC is prepared to make special arrangements to make the payment within ten days upon the receipt of invoice.

Credit reference letters confirming the excellent payment history record, for the purchase of electricty from Ontario Power Generation and Ottawa Hydro were submitted with the original application.
