TDRP Participant Authorization

October 22, 2004

Guy Springgay

Participant Authorization Overview

Package provided highlights:

- IMO web site
- How to contact Market Relations
- Application forms and descriptions
- How to submit a completed application
- Final steps to authorization
- Resources available on IMO web site
- Specific TDRP program forms

Participant Authorization

- Required forms are found on the following “Inside the Market” pages of our web site:
 - Market Entry (or Rules and Manuals)
 - All forms you need are in the binder
 - Only need to enter information once (on the application form) if everything is sent in at the same time

AT THE HEART OF ONTARIO'S POWER SYSTEM

CONSUMER INFORMATION CENTRE

Learn more about how the IMO manages Ontario's power system and how changes in the electricity industry affect you.

[GO >](#)

BUSINESS & INDUSTRY

Businesses that use more than 250,000 kWh of electricity a year pay the wholesale price. Learn about wholesale prices and how to better manage energy consumption.

[GO >](#)

INSIDE THE MARKET

More than 250 organizations buy and sell electricity in the wholesale market. Track price and demand activity and stay up to date with market developments.

What else is Needed for Participant Authorization

- OEB license:
 - Retailer (aggregator representing other entities)
 - Wholesaler - representing themselves
 - Distributor
- Certificate of Status

Summary

- Participant authorization process has been streamlined consistent with TDRP role in the market (e.g., no prudentials, facilities or meter registration required)
- Copies of all forms are on the IMO website
- Contact the [IMO Market Relations](#) if you have any questions regarding forms or process
- After receipt of your application a Market Relations representative will be assigned to help you through the final steps and for future queries
