1. I was informed in advance of this session in order to properly prepare for the meeting and to arrange travel plans.			5	11
2. Timely, accessible and accurate materials were available to me well enough in advance.		1	8	7
3. I felt that I was an equal team member and that no one person, company or association had undue influence on the outcome of the session.			9	5
4. The Chair did a good job in keeping us on time and focused and made sure everyone's comments were recognized and captured.			10	6
5. Others came equally prepared in order to communicate their views fully and openly in the meeting.			13	2
6. The meeting format worked well in generating discussion around the issues.			14	2
7. The presenters at today's session were professional and expert in fulfilling their role.			12	4

### Suggestions / Comments

- Due to the number of different types of participants, too many acronyms are used – do not assume all participants have the same background and acronym knowledge.
- Should consider a second track for market evaluation in parallel with these changes.
- Set up to have discussions with other participants apart from the two main presentations worked well.
