

Embedded and Renewable Generation (including periods of surplus baseload generation) (SE-57)

Agenda

Date: March 10, 2010	Time: 9:00 am – 11:30 am
Location:	Holiday Inn, 590 Argus Road, Oakville
Meeting Sponsor:	Darren Finkbeiner
Meeting Chair and Facilitator:	Jessica Savage
Scribe:	Devon Huber

Meeting Objectives: Offer stakeholders the opportunity to review and provide advice to the IESO on procedures and business processes as they affect market participants and their business in the domain of embedded and renewable generation. The meeting will address centralized forecasting for variable generators, FIT dispatch and operability, and minimum load management for surplus baseload generation.

Action required: Stakeholders should review materials on the web at: http://www.ieso.ca/imoweb/consult/consult_se57.asp, including the presentations for March 10.
