

Electric Reliability Organization Workshop

Toronto Congress Centre
650 Dixon Road, Toronto
www.torontocongresscentre.com/default.aspx?page=directions
Donald Sutherland Room

June 28, 2006
8:00 am to 3:45 pm

8:00 am to 9:00 am **Registration Opens and Continental Breakfast**

9:00 am to 9:10 am **Welcome**

Speaker:

Dave Goulding, President and CEO, IESO

9:10 am to 10:15 am **ERO Developments (Panel)**

The NERC, NPCC and the IESO will discuss their contributions and activities related to the development of the ERO. NERC and NPCC will cover their organization's history, structure, activities, future plans and membership value. The Canadian Electricity Association (CEA) will provide an update of the ERO across Canada.

Moderator:

Kim Warren, Manager, Regulatory Affairs, IESO

Panel:

- David Cook, Vice President, General Counsel and Director of Regulatory Services; North American Electric Reliability Council (NERC)
- Ed Schwerdt, Executive Director, Northeast Power Coordinating Council (NPCC)
- Timothy Egan, President, High Park Group and Senior Advisor, CEA

10:15 am to 10:45 **Break**

10:45 am to 12:00 pm **How is the ERO Implemented in Ontario? (Panel)**

This panel will focus on Ontario's ERO recognition process and provide an understanding of roles and responsibilities defined between NERC, NPCC, OEB and IESO. To assist in this discussion, the Ontario compliance enforcement framework will be presented.

Moderator:

Kim Warren, Manager, Regulatory Affairs, IESO

Panel:

- Doug MacCallum, Manager, Energy Markets, Office of Energy Supply; Ontario Ministry of Energy
- Peter Fraser, Manager, Wholesale Power Policy, Regulatory Policy Development; Ontario Energy Board (OEB)
- Harry Chandler, Director, Market Assessment and Compliance (MACD), IESO

12:00 pm to 1:00 pm **Lunch**

1:00 pm to 1:10 pm **The Reliability Experience in Ontario**

Speaker:

Bruce Campbell, Vice President, Corporate Relations and Market Development, IESO

1:10 pm to 2:10 pm **Ontario Overview and IRCP**

This presentation will focus on the legislative authorities in Ontario and market participant licence and reliability standards obligations. Emphasis will be on the ERO standards development process and market participant involvement.

A discussion will also take place on the IESO Reliability Compliance Program, which details market participant reporting requirements including who needs to comply, why, with whom, etc.

Moderator:

Drew Phillips, Training Supervisor, IESO

Speakers:

- David Short, Senior Regulatory Analyst, Regulatory Affairs, IESO
- Ron Falsetti, Senior Engineer, Reliability Standards and Assessments, Market & System Operations Division, IESO

2:10 pm to 2:35 pm

Break

2:35 pm to 3:35 pm

Compliance and Enforcement

During this session, Ontario enforcement principles will be reviewed. Examples of case scenarios will cover interactions with parties, rights of appeal and disclosure of findings.

Moderator:

Drew Phillips, Training Supervisor, IESO

Speaker:

Carmela Phillips, Supervisor, Compliance and Dispute Resolution, MACD, IESO

3:35 pm to 3:45 pm

Closing Remarks

Speaker:

Kim Warren, Manager, Regulatory Affairs, IESO
