A. Changes to Constrained Off CMSC Payments for Importers and Exporters

Purpose of Session

The objective of this session is to provide stakeholders the opportunity to comment on some options that have been developed following initial consultation with the Technical Panel.

B. Settlement Charges for Real Time Intertie Transaction Failures

Purpose of Session

The objectives of this session are to; provide stakeholders the opportunity to identify to the IESO areas of concern on how the market rule change effects their business; to provide stakeholders with the opportunity to provide suggestions on how best the market rule be implemented; and to ensure that proposed solutions minimize adverse affects on market participant operations and processes to the extent possible.
