1. Introduction

1.1 Scope of Chapter

1.1.1 This Chapter sets forth:

- 1.1.1.1 the dispute resolution mechanism applicable to certain disputes arising under the *market rules*;
- 1.1.1.2 the manner in which market monitoring and surveillance responsibilities will be carried out;
- 1.1.1.3 the procedures pursuant to which the *market rules* may be amended;
- 1.1.1.4 the procedures which govern the protection, use and disclosure of *confidential information* by the *IESO* and *market participants*; and
- 1.1.1.5 the manner in which the *IESO* will monitor, assess and enforce compliance with the *market rules*.

2. Dispute Resolution

2.1 Interpretation and General Procedural Provisions

- 2.1.1 The provisions of this section 2 shall be liberally construed to secure the most expeditious, just and least expensive determination on its merits of every proceeding conducted hereunder.
- 2.1.2 Where no procedures are provided for in this section 2 or the applicable *market manual*, a *mediator* or an *arbitrator* may do whatever is reasonably necessary and permitted by law to enable the effective mediation or adjudication of any matter before the *mediator* or the *arbitrator*.
- 2.1.3 The parties to a dispute may agree to dispense with, supplement or vary the application of all or any part of the provisions of sections 2.5.3A to 2.7. A *mediator*, an *arbitrator* or the *secretary* may, in the context of the resolution or the attempted resolution of a specific dispute pursuant to this section 2, dispense with, supplement or vary the application of all or any part of the provisions of sections 2.5.3A to 2.7, including as to any prescribed time periods, if special circumstances or the public interest require, or with the consent of the parties to the dispute. The *secretary's* authority to dispense with, supplement or vary the application of all or any part of

- the provisions of sections 2.5.3A to 2.7 lapses with respect to a particular dispute once a *mediator* or *arbitrator* is appointed in respect of that dispute.
- 2.1.4 The *IESO* shall from time to time *publish* and notify *market participants* of the address of the *secretary* for filing purposes.
- 2.1.5 Unless otherwise specified in this section 2 or otherwise directed by the *secretary*, a *mediator* or an *arbitrator*, only one copy of any document is required to be served or filed.
- 2.1.6 The following provisions of the *Arbitration Act, 1991* do not apply to any proceeding conducted under this section:
- 2.1.6.1 subsection 10(1)(b);
 - 2.1.6.2 subsection 13(1)2;
 - 2.1.6.3 subsection 23(1);
 - 2.1.6.4 section 24;
 - 2.1.6.5 subsections 25(3) to 25(5);
 - 2.1.6.6 sections 34, 37, 39, 45, 48 and 53;
 - 2.1.6.7 subsections 54(5) and 54(6); and
 - 2.1.6.8 sections 55 and 56, insofar as they may be applicable to the fees payable to an *arbitrator* and to the extent that such fees have been approved by the *Ontario Energy Board*.

5.4.8 For the purposes of section 5.4.7.2, the *IESO* shall not classify the information within a *confidentiality classification* other than the *confidentiality classification* referred to in section 5.4.6.2 unless such other *confidentiality classification* has, pursuant to section 5.4.2, associated with it provisions relating to disclosure and access that are more restrictive than those associated with the *confidentiality classification* referred to in section 5.4.6.2.

- 5.4.9 Where a *market participant* fails to designate a *confidentiality classification* for information submitted to the *IESO* pursuant to section 5.4.5.1 at the time at which it submits such information to the *IESO*, the *IESO* shall:
- 5.4.9.1 as soon as reasonably practicable following receipt of the information, notify the *market participant* that it must, within five *business days* of the date of receipt of the notice, designate a *confidentiality classification* for the information, failing which the *IESO* will classify the information within the confidential *confidentiality classification*; and

 - 5.4.11.3 the proprietary nature and degree of confidentiality of the information; and
 - 5.4.11.4 the *market participant's* obligations relating to confidentiality of and access to information under the *market rules*, *applicable law* or any agreement to which the *market participant* is a party.

5.5 Reclassification of Information

5.5.1 The *confidentiality classification* of any *confidential information* that is referred to in the *information confidentiality catalogue*, that is in the possession or control of the *IESO* and that has not been automatically re-classified in accordance with section 5.4.3.1 shall be reviewed by the *IESO*:

5.5.1.1 in the case of *confidential information* other than *confidential information* classified as highly confidential, no less than once in every three calendar years; and

5.5.1.2 in the case of *confidential information* classified by the *IESO* as highly confidential, no less than once in every seven calendar years,

5.5.2 The *IESO* shall make the determination referred to in section 5.5.1 having regard to the factors noted in section 5.4.4.

5.5.3 Where the *IESO* determines, in accordance with the review conducted pursuant to section 5.5.1 that *confidential information* can be re-classified within another *confidentiality classification* that has, pursuant to section 5.4.2, associated with it provisions relating to disclosure or access that are less restrictive than the existing *confidentiality classification*, the *IESO* shall:

5.5.3.1 [Intentionally left blank]

5.5.3.2 [Intentionally left blank]

 - 5.5.4.3 a *market participant* objects to the re-classification of *confidential information* within the time referred to in section 5.5.3.3(c), the *IESO* shall not re-classify the *confidential information* except as may be agreed between the *IESO* and the *market participant*.
- 5.5.5 The *IESO* shall, at the request of a *market participant*, re-classify *confidential information* provided by that *market participant* within a *confidentiality classification* that has, pursuant to section 5.4.2, associated with it provisions relating to disclosure or access that are less restrictive than the existing *confidentiality classification* provided that the *IESO* is satisfied that such re-classification would not be inconsistent with the factors referred to in section 5.4.4.
- 5.5.6 Where a *market participant* indicates, at the time at which it designates a *confidentiality classification* for *confidential information* pursuant to section 5.4.5.1, that the *confidential information* may be automatically re-classified within a *confidentiality classification* that has, pursuant to section 5.4.2, associated with it provisions relating to disclosure or access that are less restrictive than the existing *confidentiality classification*, the *IESO* shall re-classify such *confidential information* accordingly provided that the *IESO* is satisfied that such re-classification would not be inconsistent with the factors referred to in section 5.4.4.

- 5.7.1 Where a request for access to or disclosure of information in the possession or control of the *IESO* is made by a *market participant* pursuant to these *market rules*, the *IESO* shall only provide such access or disclosure if:
- 5.7.1.1 the *IESO* is satisfied that it is not precluded by these *market rules* from providing such access or disclosure to the *market participant*; and
 - 5.7.1.2 the provision of such access or disclosure would not impose a significant burden on the *IESO*, having regard to the *IESO's* resources.
- 5.7.2 Where the *IESO* makes *confidential information* accessible by means of electronic communications, the *IESO* shall implement access control protocols that differentiate between *market participants* but that need not differentiate between individuals, whether within the same *market participant* or otherwise.

6. Enforcement

- 6.1.1 This section sets forth the rules pursuant to which the *IESO* shall monitor, assess and enforce compliance with the *market rules*, including by means of the imposition of financial penalties, the issuance of non-compliance letters, *suspension orders*, *termination orders* and *disconnection orders* and the taking of such other enforcement actions as provided for in these *market rules*.

- 6.2.3 If the *IESO* considers, on its own initiative or upon receipt of written information from any person, that a *market participant* may have breached or may be breaching the *market rules* and that, in the circumstances and if the breach is established, it would be appropriate that a sanction or sanctions be imposed on that *market participant*, the *IESO* shall notify the *market participant* of:
- 6.2.3.1 details of the alleged breach and of the time within which the breach must be remedied;
 - 6.2.3.2 details of the evidence on the basis of which the *IESO* considers that the *market participant* may have breached or may be breaching the *market rules*;

- 6.2.4 Following expiry of the time noted in section 6.2.3.4, and after consideration of any representations made by the *market participant* pursuant to that section, the *IESO* may:

In such case, the *IESO* shall not make the determination noted in section 6.2.4.2 until such reasonable opportunity has been given.
- 6.2.6 A *market participant* shall comply with any request for information made by the *IESO* pursuant to section 6.2.4.3.
- 6.2.7 Subject to section 6.2.7A, where the *IESO* determines that a *market participant* has breached the *market rules*, the *IESO* may by order do any one or more of the following:

 - 6.2.7.6 take such other action as may be provided for in Appendix 3.1 in respect of the *market rule* that has been breached by the *market participant*.

The *IESO* may include in the *notice of intention* any or all alleged breaches of the *market rules* that were included in the notice issued under section 6.2.3. If the *IESO* does not include in the *notice of intention* an alleged breach described in the notice issued under section 6.2.3, excluding an alleged breach of MR Ch.1 s.10A, then the *IESO* may make one or more orders under section 6.2.7 respecting that alleged breach.

- 6.2.8 An order imposing financial penalties on a *market participant* pursuant to section 6.6 shall, subject to section 2.3.3, be considered to create an obligation under the *market rules* to pay the amount stated in the order and such amount may, without prejudice to any other manner of recovery available at law, be recovered accordingly.
- 6.2.9 Failure to comply with an order of the *IESO* made pursuant to section 6.2.7 constitutes a breach of the *market rules*.

- 6.2B.8 Where the *market participant* elects not to pursue the matter under section 6.2B.7.3 or does not make any election as described in section 6.2B.7, the *IESO* may determine that the *market participant* has breached MR Ch.1 s.10A and impose one or more orders under section 6.2.7.

 - 6.3.3.2 immediately draw upon part or all of the *market participant's prudential support* or *capacity prudential support* for either the amount of any money owing to the *IESO* under the *market rules* or where the *market participant's prudential support* or *capacity prudential support* is due to expire or terminate and has not been replaced as required under MR Ch.2 s.5.2.5 or s.5B.2.4 the undrawn part of the *prudential support* or *capacity prudential support* notwithstanding the provisions of MR Ch.2 s.5.7.2.5

until such time as the *market participant* has replaced its *prudential support* or *capacity prudential support*; and

- 6.3.3.3 set-off any amounts due or credited to the *market participant* under the *market rules* and any program administered through the billing and *settlement* systems of the *IESO* against any amounts owed by the *market participant*.

- 6.3.6 A *market participant* may remedy an *event of default* by:

 - 6.3.6.2 proving to the reasonable satisfaction of the *IESO* that the facts or circumstances which constituted the *event of default* no longer exist.
- 6.3.7 Notwithstanding that the *event of default* has been remedied, the *IESO* may impose any condition on the right of a *market participant* to participate in the *IESO-administered markets* or to cause or permit electricity to be conveyed into, through or out of the *IESO-controlled grid* that the *IESO* determines are appropriate, including:

 - 6.3A.1.2 an *event of default* specified in sections 6.3.1.5 to 6.3.1.10 has occurred in relation to the *market participant*; or
 - 6.3A.1.3 the *IESO* has determined under section 6.2A that a *suspension order* should be issued because the *market participant* has persistently breached the *market rules*.
- 6.3A.2 The *IESO* shall *publish* the details of the *suspension order* and provide a copy of the *suspension order* to the *OEB* and the *transmitter, distributor* and/or other *market participant* to whose *facilities* the *suspended market participant* is connected.
- 6.3A.3 To the extent specified in the *suspension order*, a *suspended market participant* is ineligible to trade or enter into any transaction in the *IESO-administered markets* or to cause or permit electricity to be conveyed into, through or out of the *IESO-controlled grid*.
- 6.3A.4 The *IESO* may do one or more of the following to give effect to a *suspension order*:
- 6.3A.4.1 reject any *bid, offer* or *TR bid* submitted by the *suspended market participant*;
 - 6.3A.4.2 set-off any amounts otherwise due to the *suspended market participant* against any amounts owed by the *suspended market participant* under the *market rules*;
 - 6.3A.4.3 issue a *disconnection order* to the *transmitter, distributor* and/or other *market participant* to whose *facilities* the *suspended market participant's facilities* are connected and provide a copy to the *OEB*; or
 - 6.3A.4.4 make such further order or issue such directions to the *suspended market participant* as the *IESO* determines appropriate.
- 6.3A.5 The *IESO* shall lift a *suspension order* if the *event of default* which triggered its issuance is remedied to the satisfaction of the *IESO* and there are no other *events of default* in existence with respect to the *suspended market participant*.
- 6.3A.6 Notwithstanding that the *suspension order* has been lifted, the *IESO* may impose any condition on the right of a *market participant* that has been subject of a *suspension order* to participate in the *IESO-administered markets* or to cause or permit electricity to be conveyed into, through or out of the *IESO-controlled grid* that

the *IESO* determines are appropriate, including the conditions noted in sections 6.3.7.1 to 6.3.7.3.

6.4 Termination of a Market Participant

6.4.1 The *IESO* may issue a *termination order* to a *market participant* if:

- 6.4.1.1 the *market participant* is a *suspended market participant* and has not remedied the *event of default* that triggered the *suspension order* within 5 *business days* of the issuance of the *suspension order*;
- 6.4.1.2 the *market participant* is a *suspended market participant* and has notified the *IESO* that the *market participant* is not likely to remedy the *event of default* that triggered the issuance of the *suspension order*;
- 6.4.1.3 the *market participant* has been wound up, dissolved, or otherwise has ceased to exist; or
- 6.4.1.4 the *IESO* has determined under section 6.2A that a *termination order* should be issued because the *market participant* has persistently breached the *market rules*.

6.4.2 The *IESO* shall *publish* the details of the *termination order* and provide a copy of the *termination order* to the *OEB* and to the *transmitter, distributor* and/or other *market participant* to whose *facilities* the *terminated market participant's facilities* are connected.

6.4.3 When the *IESO* issues a *termination order*, it may at the same time, if it has not already done so, issue a *disconnection order* to the *transmitter, distributor* and/or other *market participant* to whose *facilities* the *terminated market participant's facilities* are connected and provide a copy to the *OEB*.

6.4.4 A *terminated market participant* that re-applies for authorization shall be required to comply with the provisions of MR Ch.2 s.3. The *IESO* may impose any conditions on the right of the *terminated market participant* to participate in the *IESO-administered markets* or to cause or permit electricity to be conveyed into, through or out of the *IESO-controlled grid* that the *IESO* determines are appropriate, including the conditions noted in sections 6.3.7.1 to 6.3.7.3.

6.5 De-Registration of a Market Participant's Facilities

6.5.1 The *IESO* may deregister some or all of a *market participant's facilities* and any associated *resources* if the *IESO* has determined under section 6.2A that the *market participant* has persistently breached the *market rules*.

- 6.5.2 Deregistering some or all of a *market participant's facilities* or *resources* terminates all of the rights of the *market participant* in respect of those *facilities* or *resources* to participate in the *IESO-administered markets* or in respect of those *facilities* or *resources* to cause or permit electricity to be conveyed into, through or out of the *IESO-controlled grid* in respect of those *facilities* or *resources*.
- 6.5.3 If the *IESO* deregisters some or all of a *market participant's facilities* or *resources*, it may at the same time issue a *disconnection order* to the relevant *transmitter, distributor* and/or other *market participant* to whose *facilities* the *market participant's facilities* which is subject of the deregistration are connected and provide a copy to the *OEB*.
- 6.5.4 A *market participant* that wishes to re-register *facilities* or *resources* that have been deregistered shall comply with the provisions of section 2 of Chapter 7. The *IESO* may impose any conditions on right of the *market participant* to participate in the *IESO-administered markets* or to cause or permit electricity to be conveyed into, through or out of the *IESO-controlled grid* that the *IESO* determines are appropriate, including the conditions noted in sections 6.3.7.1 to 6.3.7.3.

6.5A Disconnection Order

- 6.5A.1 Each *transmitter, distributor* and other *market participant* to whom a *disconnection order* is issued pursuant to sections 6.3A.4.3, 6.4.3 or 6.5.3 shall, subject to this section 6.5A, on the date and at the time specified in the *disconnection order*, *disconnect* the *facilities* or equipment referred to in the *disconnection order*.
- 6.5A.2 Nothing in this section 6.5A is intended to prevent a *transmitter, distributor* or other *market participant* from taking action to ensure the safety of any person, prevent the damage of equipment, or prevent the violation of any *applicable law*; provided, however, that such *transmitter, distributor* or other *market participant* shall coordinate to the fullest extent practicable any such action with the *IESO*.
- 6.5A.3 Without limiting the generality of MR Ch.1 s.8.3, a *disconnection order* may be issued by the *IESO* to a *transmitter, distributor* or other *market participant* pursuant to sections 6.3A.4.3, 6.4.3 or 6.5.3 by voice communication.

6.6 Non-compliance Letters and Financial Penalties

- 6.6.1 This section 6.6 sets forth the manner in which the *IESO* will pursuant to section 6.2.7 issue non-compliance letters and fix financial penalties to be imposed on *market participants* for breaches of the *market rules*.
- 6.6.2 Where the *IESO* has determined that it is appropriate to issue a letter of non-compliance or impose a financial penalty upon a *market participant*, the *IESO* shall:

- 6.6.2.1 determine the level of non-compliance by the *market participant* in accordance with section 6.6.3;
 - 6.6.2.2 determine the rate of recurrence of non-compliance by the *market participant* in accordance with section 6.6.4;
 - 6.6.2.3 based on the determinations made in accordance with sections 6.6.2.1 and 6.6.2.2, issue a non-compliance letter or impose a financial penalty; and
 - 6.6.2.4 where a determination is made to impose a financial penalty, fix the amount of the penalty in accordance with section 6.6.6.
- 6.6.2A When determining the particular level of non-compliance referred to in section 6.6.2.1, the *IESO* shall establish:
- whether all of the conditions for a level have been met; and
 - that the manner and time, proposed by the *market participant*, within which the non-compliance event will be remedied are reasonable under the circumstances.
- If a *market participant*
- meets some but not all of the conditions of any single level; or
 - proposes a manner and time in which the non-compliance event will be remedied that are not reasonable under the circumstances in the opinion of the *IESO*,
- then the *IESO* shall assign what it considers to be the appropriate non-compliance level.
- 6.6.3 The *IESO* shall determine the level of non-compliance referred to in section 6.6.2.1 as follows:
- 6.6.3.1 Level “L1” shall apply where the *market participant*:
 - i. failed to comply, in part, with the requirements of a *market rule*, and
 - ii. on its own initiative informed the *IESO* on a timely basis of:
 - the reasons for the non-compliance, and
 - the manner and time in which the non-compliance will be remedied.
 - 6.6.3.2 Level “L2” shall apply where the *market participant*:
 - i. failed to comply in whole with the requirements of a *market rule*, and
 - ii. on its own initiative informed the *IESO* on a timely basis of:
 - the reasons for the non-compliance, and

- the manner and time in which the non-compliance will be remedied.

6.6.3.3 Level “L3” shall apply where the *market participant*:

- i. failed to comply, in whole or in part, with the requirements of a *market rule*,
- ii. did not on its own initiative inform the *IESO* on a timely basis of the non-compliance; but
- iii. did inform, at the *IESO*’s request and within the time specified in the request, the *IESO* of:
 - the reasons for the non-compliance, and
 - the manner and time in which the non-compliance will be remedied.

6.6.3.4 Level “L4” shall apply where the *market participant*:

- i. failed to comply, in whole or in part, with the requirements of a *market rule*,
- ii. did not on its own initiative inform the *IESO* on a timely basis of the non-compliance; and
- iii. did not inform, at the *IESO*’s request and within the time specified in the request, the *IESO* of:
 - the reasons for the non-compliance, and
 - the manner and time in which the non-compliance will be remedied.

6.6.4 The *IESO* shall determine the rate of recurrence of non-compliance referred to in section 6.6.2.2 based on the frequency and duration with which the *market participant* has been found by the *IESO* to be in breach of the *market rules*.

6.6.5 [Intentionally left blank – section deleted]

6.6.6 Where the *IESO* has determined, based on the determinations made under section 6.6.2, that the applicable sanction is the imposition of a financial penalty, the *IESO* shall, subject to section 6.6.6A, consider the factors listed in section 6.6.7 and impose a financial penalty on the *market participant* within the ranges set out in the following table.

Level of Non-Compliance	Range of Sanctions
L1	Non-compliance letter or up to \$2,000.00

Level of Non-Compliance	Range of Sanctions
L2	Non-compliance letter or up to \$4,000.00
L3	Non-compliance letter or up to \$6,000.00
L4	\$1,000.00 to \$10,000.00

6.6.6A The *IESO* may impose on a *market participant* a financial penalty in excess of the amount otherwise provided for in section 6.6.6 and no greater than \$1,000,000 per occurrence, where:

- 6.6.6A.1 the *market participant* has breached a *market rule* while a declaration that the *IESO controlled grid* is in an *emergency operating state* or a *high-risk operating state* was in effect;
- 6.6.6A.2 the *market participant* breached a *market rule* while a declaration that *market operations* have been suspended was in effect;
- 6.6.6A.3 the *IESO Board* determines that the impact of the *market participant's* breach of a *market rule* on either the *IESO-administered markets* or the *reliability* of the *integrated power system* is particularly severe; or
- 6.6.6A.4 the rate of recurrence of non-compliance by the *market participant* with the *market rules* is of such frequency or duration as to warrant the imposition of a higher financial penalty.

6.6.6B Where at least one of the conditions of 6.6.6A are met and the *IESO* has determined that the applicable sanction is the imposition of a financial penalty, the *IESO* shall, consider the factors listed in section 6.6.7 and impose a financial penalty on the *market participant* within the ranges set out in the following table.

	Non-Compliance Level (Severity and Breach History)							
Impact Level	Low		Moderate		High		Severe	
	Range Limit		Range Limit		Range Limit		Range Limit	
	Min	Max	Min	Max	Min	Max	Min	Max
Low Little or None	\$2,000	\$25,000	\$2,000	\$50,000	\$3,000	\$75,000	\$5,000	\$100,000
Medium Material	\$2,000	\$100,000	\$4,000	\$250,000	\$6,000	\$450,000	\$10,000	\$600,000

	Non-Compliance Level (Severity and Breach History)							
High Severe	\$4,000	\$250,000	\$8,000	\$500,000	\$12,000	\$750,000	\$20,000	\$1,000,000

The *IESO* shall establish the penalty range at the intersection of the determined impact level and non-compliance level in accordance with the applicable *market manual* as follows:

- 6.6.6B.1 The *IESO* shall determine the impact level by examining all the impacts of the breach under investigation and selecting an appropriate impact level; and
 - 6.6.6B.2 The *IESO* shall determine the non-compliance level by examining breach history contributions, severity, and any aggravating or mitigating adjustments.
- 6.6.7 In fixing the amount of the financial penalty within the ranges described in the tables set forth in sections 6.6.6 and 6.6.6B, the *IESO* shall have regard to:
- 6.6.7.1 the circumstances in which the breach occurred;
 - 6.6.7.2 the severity of the breach;
 - 6.6.7.3 the extent to which the breach was inadvertent, negligent, deliberate or otherwise;
 - 6.6.7.4 the length of time the breach remained unresolved;
 - 6.6.7.5 the actions of the *market participant* on becoming aware of the breach;
 - 6.6.7.6 whether the *market participant* disclosed the matter to the *IESO* on its own or whether it was prompted to do so;
 - 6.6.7.7 any benefit that the *market participant* obtained or may have obtained as a result of the breach;
 - 6.6.7.8 any previous breach by the *market participant* of the *market rules* or of the conditions of its *licence*;
 - 6.6.7.9 the actual or potential impact of the breach on other *market participants*;
 - 6.6.7.10 the actual or potential impact of the breach on the *IESO-administered markets* as a whole;

- 6.6.7.10A the actual or potential impact of the breach on the *reliability* of the *integrated power system*;
 - 6.6.7.11 any sanctions that may be imposed on the *IESO* by a *standards authority* as a result of the breach;
 - 6.6.7.12 the immediacy of the threat that the breach poses to the *reliability* of the *integrated power system* or the *IESO-administered market*;
 - 6.6.7.13 presence and quality of the *market participant's* compliance program;
 - 6.6.7.14 whether on its own initiative, a *market participant* has undertaken to reasonably compensate the *IESO-administered market* for the value of any benefit it obtained as a result of the breach; and
 - 6.6.7.15 such other matters as the *IESO* considers appropriate.
- 6.6.8 Where MR Ch.3 App. 3.1 provides for the imposition of a formula-based penalty in respect of the breach of a *market rule*, the *IESO* may issue a letter of non-compliance pursuant to section 6.6.2.3 or impose a financial penalty upon the *market participant*, the amount of which shall be determined by the application of the following formula:
- $$P = D \times T \times C$$
- Where:
- P = the amount of the financial penalty, in dollars
- D = the deviation from the applicable obligation in the *market rules*, expressed in terms of MW, MVAR, kV, power factor or other determinant, as specified in Appendix 3.1 in respect of the particular *market rule*
- T = the duration of the breach, expressed in hours or fractions of hours
- C = the amount determined in accordance with section 6.6.9 in respect of the particular *market rule*
- 6.6.9 The amount C referred to in section 6.6.8 shall be determined, in respect of the breach of a particular *market rule*, by multiplying the *market price* prevailing at the time of the breach by an amount determined by the *IESO* having regard to the criteria set forth in section 6.6.7 and to the factors noted in sections 6.6.6A.1 to 6.6.6A.4, where applicable.
- 6.6.10 Where MR Ch.3 App.3.1 specifies more than one sanction in respect of the breach of a particular *market rule*, the *IESO* may impose all of the sanctions so specified on the *market participant* provided that no financial penalty may be imposed in respect of a breach for which the *IESO* has issued a letter of non-compliance pursuant to section 6.6.2.3. Nothing in this section 6.6.10 shall prevent the *IESO* from imposing

a financial penalty for failure by a *market participant* to remedy a breach in respect of which a letter of non-compliance has been issued or if there is any repetition or continuation of such breach.

6.6.10A In respect of a breach of MR Ch.7 s.7.5.8A, the *IESO* may:

6.6.10A.1 issue a letter of non-compliance or impose a financial penalty upon the *market participant* pursuant to sections 6.6.2.3, and 6.6.6; and

6.6.10A.2 adjust *settlement amounts* paid or payable to a *registered market participant* such as *transmission rights* payments, congestion management *settlement* credits or other *settlement amounts* that the *registered market participant* received or avoided due to an act or omission or a course of conduct of either the *registered market participant* alone or the *registered market participant* by agreement or arrangement with one or more other *market participants* that led to the breach of MR Ch.7 s.7.5.8A.

6.6.11 Nothing in this section 6.6 shall preclude the *IESO* from making an order under one or more of sections 6.2.7.1, 6.2.7.2, 6.2.7.3 or 6.2.7.6 in respect of a breach of the *market rules* with respect to which a sanction has been imposed pursuant to this section 6.6.

6.6.12 [Intentionally left blank]

6.6.13 [Intentionally left blank – section deleted]

6.6.14 No additional financial penalty may be imposed in respect of a breach of the *market rules* for which a financial penalty has already been imposed pursuant to this section 6.6 provided that nothing in this section 6.6.14 shall prevent the *IESO* from imposing a financial penalty for failure by a *market participant* to remedy a breach in respect of which a financial penalty has been imposed or if there is any repetition or continuation of such breach.

6.7 Officers and Agents

6.7.1 If any director, officer, employee partner or agent of a *market participant* does any act or refrains from doing any act which if done or omitted to be done, as the case may be, by a *market participant* would constitute a breach of the *market rules*, such act or omission shall be deemed for the purposes of this section 6 to be the act or omission of the *market participant*.

7. Financial Penalties for Certain Contracted Ancillary Service Providers

7.1 Penalties Specified in Contracts

7.1.1 An *ancillary service provider* providing *regulation* or *black start capability* under a *contracted ancillary service* contract that:
