Subject: Electricity Planning in Niagara Region – Webinar on February 3

Regional electricity planning is in progress for the Niagara Region. The IESO will host a webinar on Thursday, February 3 at 2:00 p.m. to provide an overview of the regional electricity planning activities underway and our proposed [engagement plans](#) with you over the coming months. We will also be seeking your input to inform the electricity demand forecast as the first step in developing an Integrated Regional Resource Plan (IRRP) for the region.

[Register](#) to participate in the February 3 webinar. Materials will be available in advance and written comments will be invited until February 24.

The Niagara Region includes the local municipalities of Port Colborne, Welland, Thorold, Niagara Falls, Niagara-on-the-Lake, St. Catharines, Fort Erie, Lincoln, West Lincoln, Grimsby, Wainfleet, and Pelham. There are also several Indigenous and Métis communities in this region including the Mississaugas of the New Credit, Oneida Nation of the Thames and Six Nations of the Grand River (Six Nations Elected Council and HCCC) and MNO Niagara Region Métis Council. Visit our website to learn more about the [Niagara Region](#) or for more information about the [regional electricity planning process](#).

All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous and Métis communities, businesses, stakeholders and members of the general public.

For additional details on this engagement initiative, please visit the Niagara Region electricity planning [engagement webpage](#).

Regards,

Rouselle Gratela
