

# Draft Market Rule and Market Manual Reference Guide

The purpose of this guide is to provide a broad overview of the proposed design enhancements for the 2023 Capacity Auction as they relate to the draft market rules and draft market manual amendments. Please note that this document is provided for informational purposes only to assist in the review of the draft market rules and market manuals and should not be relied upon as all relevant design enhancements and corresponding references to the market rules and the market manuals may not be captured.

The draft market rules, draft market manuals and design memos are posted to the [Capacity Auction Enhancement](#) webpage.
