Following the eDSM Commercial HVAC DR Program: Design Updates & Next Steps (October 16, 2025), engagement webinar, the Independent Electricity System Operator (IESO) is seeking feedback from stakeholders on the items discussed. The presentation and recording can be accessed from the [Electricity Demand Side Management \(eDSM\) Framework](#) engagement webpage.

Note: The IESO will accept additional materials where it may be required to support your rationale provided below. When sending additional materials please indicate if they are confidential.

Please submit feedback to engagement@ieso.ca by November 5, 2025.

General Comments/Feedback

Is the use of building backup generators permitted during event activation? Allowing their use would provide additional flexibility beyond HVAC demand response.
