The stakeholder engagement component of the development of the Energy Efficiency Auction Pilot concluded in November, 2020 with the posting of the final Detailed Design documents. The first Energy Efficiency Auction is taking place March 22-23, 2021.

The IESO is now closing out the engagement with the posting of the Final Engagement Summary Report on the engagement webpage. The Report includes a summary of discussions and engagement activities that took place through this engagement forum. The report and other engagement materials can continue to be accessed by the public through the [Completed Engagements](#) section of the IESO website.

We appreciate your participation throughout this engagement. Please reach out to [engagement@ieso.ca](mailto:engagement@ieso.ca) if you have any outstanding questions.
