Stakeholder Engagement Feedback Session

Candice Trickey, Director, Corporate Affairs

Purpose of Today's Session

- Better inform current and future IESO engagement activities through your input
- Regular opportunity to seek input on priorities from the broader stakeholder community
- Sessions intended to be held on a quarterly basis, and would like to use this initial session to better understand future areas of interest

New & Upcoming Engagements

Stakeholder Advisory Committee Meeting			X
Cost Recovery Engagement		X	
Industrial Energy Efficiency Program	X		
Distributed Energy Resources Roadmap	X		

Discussion Questions

Q1: Are there stakeholder priorities or topics not currently being addressed through active engagements that you would like the IESO to consider in the future?

Q2: Are there seams issues, or linkages between engagements, that the IESO should be considering, but might not be?

Q3: What topics or discussions would you like to see in future Engagement Feedback Sessions?

Thank you
