Subject: May 6 Engagement Webinar: Peel/Halton (GTA West) Regional Electricity Planning

The IESO will host a public webinar on May 6 at 1:00 p.m. to provide an update on the long-term electricity plan – Integrated Regional Resource Plan (IRRP) – for the [Peel/Halton \(GTA West\) region](#), and to discuss and seek feedback on the options examined and resulting recommendations to meet local needs. This will be the final webinar as part of the engagement initiative to finalize the IRRP towards the end of June 2021.

Webinar materials will be available in advance and written comments will be invited until May 20. To register for the May 6 webinar, please email engagement@ieso.ca.

The Peel/Halton (GTA West) region is defined on electrical infrastructure boundaries, and roughly encompasses the regional municipalities of Halton and Peel, and consists of the municipalities of Brampton, South Caledon, Halton Hills, Mississauga, Milton, Burlington and Oakville. GTA West and Peel/Halton Region are often used interchangeably throughout electrical studies.

All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous communities, businesses, stakeholders and members of the general public. For additional details on this engagement initiative, please visit the Peel/Halton (GTA West) regional electricity planning [engagement webpage](#).

Thank you,

Amanda Flude
Regional & Community Engagement
