**Subject:** Indigenous Energy Support Programs Review

The IESO is hosting a webinar on September 28<sup>th</sup> to present the final program designs of the Indigenous Energy Support Programs (ESPs) for application intake in the Fall of 2020 and to provide a summary of how feedback was considered in the redesigned ESPs. The webinar is scheduled from 1:00pm to 2:30pm and [registration is available online](#).

On July 24<sup>th</sup>, 2020, the IESO held webinar to discuss the Indigenous Energy Support Programs (ESPs) review. Following this webinar, the IESO received feedback from communities and stakeholders on the proposed redesign of the Indigenous ESPs. The IESO's response to feedback has now been posted to the [engagement webpage](#). During the webinar, the IESO conducted five polls with the participants, a summary of which has also now been posted to the [engagement webpage](#).

For more information and to review presentation materials in advance, please visit the [Indigenous Energy Support Programs Review webpage](#).

Thank you,  
IESO Indigenous Relations Team
