Subject: Kitchener/Waterloo/Cambridge/Guelph Regional Electricity Planning Webinar #1 | December 12, 2024 | 1:00 p.m.
Date: November 27, 2024 3:17:26 PM

Regional electricity planning is underway for [the Kitchener/Waterloo/Cambridge/Guelph electrical region](#) to ensure a reliable supply of electricity, and to support local growth and economic development. [Regional planning](#) looks at the unique needs of each region and considers options and innovative resources to meet the needs.

The Kitchener/Waterloo/Cambridge/Guelph electrical region generally encompasses the municipalities of Kitchener, Waterloo, Cambridge, and Guelph, as well as portions of Perth, the Townships of Mapleton, Centre Wellington, Puslinch, and Guelph/Eramosa in Wellington County, the Township of Blandford-Blenheim in Oxford County, the townships of Wellesley, Woolwich, Wilmot, North Dumfries, and the Region of Waterloo. In this region, an Integrated Regional Resource Plan (IRRP) will be developed, and your input will inform this important work.

On Thursday December 12, 2024, at 1:00 p.m., the IESO will host a [webinar](#) to provide an overview of the regional electricity planning process, and seek your feedback on the draft electricity demand forecast scenarios and the proposed engagement plan.

[REGISTER HERE](#) to participate in the December 12, 2024, webinar. Materials will be available in advance and **written comments will be welcomed until Wednesday January 8, 2025.** Upon registration, you will receive an email confirmation containing a calendar invitation with meeting details. We encourage you to save this invitation to your calendar to ensure you have the access details for the event.

All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous communities, businesses, stakeholders, and members of the general public.

Visit our website to learn more about the [Kitchener/Waterloo/Cambridge/Guelph electrical region](#) and the [regional electricity planning process](#). Please reach out should you have any questions.

Best Regards,

Brooke Crewson
