## Regional Electricity Planning in Kitchener/Waterloo/Cambridge/Guelph Area – December 12, 2024

### Feedback Provided by:

Name: Karen Chisholme, Christina  
Mann, Curtis Marshall

Title: Climate Change Manager,  
Manager of Economic Development,  
Manager Planning

Organization: County of Wellington

Email:

Date: Dec 17, 2024

To promote transparency, feedback submitted will be posted on the [Kitchener/Waterloo/Cambridge/Guelph Area](#) webpage unless otherwise requested by the sender.

Following the Kitchener/Waterloo/Cambridge/Guelph electricity planning engagement webinar held on December 12, 2024, the Independent Electricity System Operator (IESO) is seeking your feedback on the draft electricity demand forecast scenarios and the proposed engagement plan. A copy of the presentation as well as a recording of the session can be accessed from the [engagement web page](#).

**Please submit feedback to** [engagement@ieso.ca](mailto:engagement@ieso.ca) by January 8, 2025.

What additional information, if any should be incorporated in the proposed scenarios?	Click or tap here to enter text.
How can the proposed scenarios best capture the range and uncertainty of growth potential while informing near-term infrastructure investments?	Click or tap here to enter text.
What areas of concern or interest about electricity should be considered as part of the planning process?	Click or tap here to enter text.
What information is important to provide throughout the engagement? Does the proposed Engagement Plan provide sufficient scope and opportunities for input? What other engagement activities or methods should be considered?	Map of study area showing municipal boundaries

## General Comments/Feedback

See attached information regarding projections for Wellington County.

- Population projections
- Land use (residential, commercial, industrial) projections
- Proposed Home Energy Retrofit Programme including uptake scenarios
- Draft Tri-County green development standards (re: solar- and EV-ready new buildings)

We are happy to meet to discuss this information and how it may support your work.

Regards,
