---

Regional electricity planning continues to advance for the [Kitchener/Waterloo/Cambridge/Guelph \(KWCG\) electrical region](#) to ensure a reliable supply of electricity, support local growth initiatives, and economic development.

This region generally encompasses the City of Guelph, the Region of Waterloo including the municipalities of Kitchener, Waterloo, and Cambridge, and the townships of Wellesley, Woolwich, Wilmot, North Dumfries, as well the Townships of Mapleton, Centre Wellington, Puslinch, and Guelph/Eramosa in Wellington County, and the Township of Blandford-Blenheim in Oxford County.

**On September 23, 2025, at 1 p.m. the IESO will host a [webinar](#)** to share, seek feedback, and answer questions on the the detailed option analysis and draft recommendations for priority needs, as well as share identified remaining needs and screening options analysis.

**Register [here](#) to participate in the September 23 webinar.** Materials will be available in advance.

As regional planning continues to advance quickly to address identified priority needs driven by new large-scale customers and electrification **written comments regarding draft recommendations to address priority needs are welcome until Monday September 29, 2025. Any written comments regarding remaining needs and screening options analysis can be shared until Tuesday October 14, 2025.**
