Draft LT2 Energy RFP and Contract

Topic	Feedback
Do you have any feedback regarding the recently posted LT2(e) RFP?	Definition in RFP regarding 'Indigenous Community' uses language 'in Ontario'. Please confirm that this would include communities located both in whole and in part in Ontario, and if so, please revise language within definition to address that community territory may overlap between provincial or state boundaries.

Topic	Feedback
Do you have any feedback regarding the recently posted second version of the LT2(e) Contract?	Definition in contract regarding 'Indigenous Community' uses language 'in Ontario'. Please confirm that this would include communities located both in whole and in part in Ontario, and if so, please revise language within definition to address that community territory may overlap between provincial or state boundaries.
Do you have any feedback to share on the proposed Rated Criteria for the LT2(e) RFP?	
Do you have any feedback to share on the proposed mandatory requirements for the LT2(e) RFP, including Municipal and Indigenous Support Resolutions requirements as well as requirements for siting projects on Crown Land?	Current language around MSR/Engagement requirements are related to the location of Project Site. Project Site is defined as "means all Properties on which the Long-Term Energy Project is located, <u>excluding any Connection Line</u> " and the Connection Line means the "electrical connection line connecting the LongTerm Energy Project to the Connection Point". Can you confirm if the connection line as drafted would include items like switch yards or transformers which may occur at the end of electrical line at the Connection Point? If so, can you incorporate such into the language clarifying that within the documents.
Do you have any feedback to share on the Indigenous and Community Engagement requirements for the LT2(e) RFP?
