Subject: March 15 Engagement Webinar – North & East of Sudbury Regional Electricity Planning

The IESO will host a third public webinar on March 15 at 10:30 a.m. to provide an update on the electricity plan – Integrated Regional Resource Plan (IRRP) – for the North & East of Sudbury region and discuss the options examined and resulting recommendations for input. This will be the final webinar as part of the engagement initiative before the plan is finalized this spring. [Register](#) to participate.

Webinar materials will be available in advance and written feedback will be collected until April 5. A window to submit written feedback will be opened for a three-week period following the webinar. For additional details on this engagement initiative please visit the North & East of Sudbury regional electricity planning [engagement webpage](#).

Thank you,
