Date: August 8, 2024

Following the July 25, 2024 Transmitter Selection Framework (TSF) focused engagement session, the Independent Electricity System Operator (IESO) is seeking feedback from Indigenous communities on the items discussed during the webinar. The webinar presentation and recording can be accessed from the [engagement web page](#).

Please submit feedback to engagement@ieso.ca by **August 9, 2024.** If you wish to provide confidential feedback, please submit as a separate document, marked "Confidential". Otherwise, to promote transparency, feedback that is not marked "Confidential" will be posted on the engagement webpage.

Topic	Feedback
<p>Partial Contracting Evaluation:</p> <p>In your view, does the proposed "Partial Contracting Approach" sufficiently:</p> <ul style="list-style-type: none"> • Safeguard ratepayers against project risks? • Promote competition? • Promote Indigenous Participation? 	<p>I think that it should work well.</p>
<p>Qualified Transmitter Registry:</p> <p>Does a flexible application submission window for a qualified transmitter registry meet developers/stakeholders needs?</p>	<p>Yes. Flexibility is good, as long as it is done to benefit the project in all areas.</p>
<p>Evaluation Criteria Review:</p> <p>Has the IESO captured all of the necessary evaluation guiding principles and criteria within an expected transmission project proposal?</p>	<p>There may be further discussions in this area.</p>
<p>Indigenous Participation Criteria:</p> <p>What criteria should be considered to assess a proponent's experience with Indigenous participation and partnerships?</p>	<p>Assessing relationship or relationships with the affected First Nation communities is key to support.</p>

General Comments/Feedback

I look forward to this process.
