Subject: Options to Address Uninsured Liability Risk: Technical Panel Market Rule Amendment Determinations

Good afternoon,

Thank you for your participation in the [Options to Address Uninsured Liability Risk](#) engagement sessions.

During the March 23 Technical Panel meeting, members voted to recommend Market Rule Amendment Proposal MR-00448-R00 – Options to Address Uninsured Liability Risk to the IESO Board for consideration. The IESO will continue to keep registered stakeholders of this engagement informed as to this progress. For more information on the amendments, please see item 3 under the March 23 date on the [Technical Panel](#) webpage.

Thank you,

Agatha Pyrka
