In the upcoming July 23 webinar, the IESO and Alectra Utilities will present an overview of the draft Demonstration Project Rules for the IESO York Region Non-Wires Alternatives Demonstration Project. The webinar will also focus on distribution locational marginal pricing (DLMP) to inform stakeholders on the concepts behind the demonstration's proposed local energy-price formation. Following the webinar, the IESO will be seeking feedback from participants on the draft Demonstration Project Rules and the proposed project timelines:

The July 23 webinar is scheduled from 10:00am to 11:30am, and registration is [online](#). For more information, please visit the IESO York Region Non-Wires Alternatives Demonstration Project [engagement web page](#) where the July 23 presentation and the draft Demonstration Project Rules have now been posted. Stakeholders are encouraged to review the presentation (attached to this email for your convenience) in advance of the webinar.

Thank you,
