SECTION 5 FUNDING AND PAYMENTS

5.1 Maximum Funding Amount

The maximum funding amount that the IESO may pay to the Recipient pursuant to the Funding Agreement is the amount set out on the cover page to the Funding Agreement (the "Maximum Funding Amount").

5.2 Request for Funding Reports

- (a) In order to receive a Disbursement, the Recipient must submit a Request for Funding Report to the IESO and any other documentation as set out in Schedule C.
- (b) The IESO may approve or refuse a Request for Funding Report or any portion of a Request for Funding Report, in its sole and absolute discretion.
- (c) If the Request for Funding Report is not approved by the IESO, the IESO will advise the Recipient of the reasons for such refusal. If the IESO provides instructions for resubmission of the Request for Funding Report, the Recipient must comply with any such instructions, amend its Request for Funding Report, and re-submit it to the IESO.
- (d) If the IESO provides funds to the Recipient prior to the Recipient's immediate need for the funds, the Recipient must place the funds in a chequing account in the name of the Recipient at a Canadian financial institution and must not use the funds for any purpose other than as expressly set out in this Funding Agreement.

- (d) In a case where more than one (1) Recipient is a party to the Funding Agreement, each Recipient acknowledges and agrees that:
 - 1. the IESO will make payment to the Lead Recipient only, and that any payments made to the Lead Recipient are deemed to be payments made to all Recipients for the purposes of the Funding Agreement;
 - 2. the Lead Recipient is responsible for making payments to the other Recipients, if applicable; and
 - 3. the IESO has no liability for the Lead Recipient's failure to make payments to the other Recipients, and none of the Recipients have any claim against the IESO in respect of any such payment made by the IESO to the Lead Recipient.
- (e) HST and all other applicable taxes will be shown separately on all Requests for Funding addressed to the IESO in respect of Eligible Expenses. The Recipient must deduct all recoverable HST from expenses and other Eligible Expenses of the Recipient before calculating the amounts to be requested from the IESO. The Recipient acknowledges that the Deliverables do not constitute a "supply" and the Disbursements are not subject to HST under the Excise Tax Act. Accordingly, the Recipient acknowledges that the IESO will not be reimbursing, or paying, HST in respect of Eligible Expenses or the Funding Agreement.

5.5 Set-off

- (a) The IESO will be entitled to set-off any monies owed to it by the Recipient or to which the IESO may be entitled pursuant to the Funding Agreement or any other agreement with the Recipient, against any obligations that the IESO may have to

- (b) the Funding Agreement has been duly authorized, executed, and delivered by the IESO and is a valid and binding obligation of the IESO enforceable in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency and other laws affecting the rights of creditors generally and except that equitable remedies may only be granted in the discretion of a court of competent jurisdiction.

SECTION 8 TERM, DEFAULT AND TERMINATION

8.1 Term

The Funding Agreement will become effective on the Contract Start Date and will terminate on the Contract End Date.

8.2 Default Events

- (a) Any material breach of the Funding Agreement by the Recipient, including those set out below, will be an event of default ("**Default Event**"):
 1. the Recipient has amounts owing to the IESO in respect of another funding agreement or other program, contract or arrangement with the IESO that have not been paid after due notice;

 3. the Recipient fails to complete or submit to the IESO any Activities set out in

Schedule C by the applicable Target Completion Date; or

4. the Recipient fails to notify the IESO of any of the events set out in Section 6.1.

(b) Should a Default Event occur, the IESO will be entitled to deliver to the Recipient a written notice that the Recipient is in default of the obligations under the Funding Agreement (the "**Notice of Default**"). The Notice of Default will set out the nature of the Default Event and a reasonable period of time by which the Default Event must be cured.

8.3 Termination Events

(a) Each of the following events may, in the IESO's sole and absolute discretion, trigger the early termination of the Funding Agreement, provided that the events described in Sections 8.3(a)(5) through 8.3(a)(7) shall trigger the automatic early termination of the Funding Agreement (each a "**Termination Event**"):

1. in the opinion of the IESO, the Recipient has provided false or misleading information in its Application, the Funding Agreement, a Deliverable, or in any other communication with the IESO, whether written, oral, or by omission;
2. the Recipient commits, or the IESO reasonably believes that the Recipient has committed, any act of fraud in relation to the IESO, the Project, the Funding Agreement, or any other IESO program;

7. the IESO terminates the Funding Agreement for convenience by providing written notice to the Recipient, in which case the Funding Agreement will be terminated effective on the date that is ten (10) Business Days following the date of such written notice (the "**Termination for Convenience Date**").

(b) Should the Funding Agreement be terminated pursuant to a Termination Event listed in Section 8.3(a), the IESO will provide the Recipient with written notice that states that the Funding Agreement is terminated effective the date of such notice.

8.4 Remedies of the IESO

- (a) If any Default Event is not cured by the date set out in the Notice of Default, then the IESO may, upon written notice to the Recipient:
1. suspend the payment of funds for such period as the IESO determines appropriate;
 2. refuse a Request for Funding Report;
 3. disburse an amount less than the amount requested in a Request for Funding Report;
 4. demand the repayment of funds: (A) that were used for purposes not agreed upon by the IESO; (B) that have been disbursed to the Recipient but for which the required Deliverables were not provided or, in the opinion of the IESO, there is insufficient documentation evidencing that such funds were spent on Eligible Expenses; or (C) that were improperly paid to the Recipient; and/or
 5. terminate the Funding Agreement.
- (b) If the Funding Agreement is terminated pursuant to any of Sections 8.3(a)(1) through 8.3(a)(4), inclusive, or Section 8.4(a)(5), the IESO may demand the repayment of an amount equal to any funds the IESO provided to the Recipient and the Recipient will not be eligible for any future payments related to the Project. The IESO's remedies hereunder are in addition to any other rights it may have under the Funding Agreement or otherwise. Nothing in this section limits or impacts any other rights or causes of action that the IESO may have regarding representations, warranties, covenants and indemnities in its favour contained in the Funding Agreement.
- (c) If the Funding Agreement is terminated pursuant to Section 8.3(a)(7), the Recipient shall provide to the IESO, within ten (10) Business Days of the Termination for Convenience Date, all Deliverables in Schedule C completed up to the Termination for Convenience Date along with a Request for Funding Report and documentation to support the amount in the Request for Funding Report. If the IESO approves the Request for Funding Report, and provided that the Recipient is not in breach of any of its obligations under the Funding Agreement as of the Termination for Convenience Date, the IESO shall pay to the Recipient an amount equal to the Eligible Expenses incurred by the Recipient up to the date of the notice of the termination pursuant to Section 8.3(a)(7) from the IESO and evidenced by the Request for Funding Report that have not been covered by previous Disbursements, up to the Maximum Funding Amount.
- (d) If the Funding Agreement is terminated pursuant to Section 8.3(a)(6), the Recipient shall provide to the IESO, within ten (10) Business Days of receiving written notice of termination, all Deliverables in Schedule C completed up to the date written notice is received, along with a Request for Funding Report. If the

IESO approves the Request for Funding Report, and provided that the Recipient is not in breach of any of its obligations under the Funding Agreement, the IESO shall pay to the Recipient an amount equal to the Eligible Expenses incurred by the Recipient up to the date of the written notice of termination that have not been covered by previous Disbursements, up to the Maximum Funding Amount. If the IESO determines, based on the Request for Funding Report submitted, that the IESO's previous Disbursements to the Recipient exceed the Eligible Expenses incurred by the Recipient up to the date of the written notice of termination, the Recipient shall refund any excess funds to the IESO.

- (e) Subject to Section 8.4(a), the IESO may, in its sole and absolute discretion, make a Disbursement to the Recipient for Eligible Expenses incurred as of the date of termination. The Recipient agrees that such amount will be its sole and exclusive payment, and it will not be entitled to any other amounts whether as damages, Costs, expenses or otherwise.

SECTION 9 RECORDS RETENTION AND AUDIT RIGHTS

9.1 Record-Keeping

The Recipient will maintain proper and distinct books, records, contracts, accounts, Invoices, Timesheets, Proof of Payment documentation and all other information relating to the Project during the term of this Funding Agreement and for a period of seven (7) years thereafter.

9.2 Audit Rights

- (a) During the term of the Funding Agreement and the seven (7) year period thereafter, the Recipient shall provide the IESO, its agents, and the Government of Ontario with reasonable access to such information for any reasonable purpose, including for audit examination, process audit or evaluation, measurement and verification of Project results and impacts. For certainty, if the IESO requests any information documentation, the Recipient shall deliver it within thirty (30) days. The Recipient shall comply with all laws and regulations applicable to it, including any privacy obligations.
- (b) If any discrepancy is identified by the audit referred to in this Section 9.2, the appropriate adjustments will be promptly made between the Parties.
- (c) If there has been an overpayment by the IESO, the amount of the overpayment will constitute a debt due to the IESO and may be so recovered. Any debt due to the IESO herein referred to may, in addition to any other remedies available at law or in equity, also be recovered by the IESO by set-off.

SECTION 10 CONFIDENTIALITY

10.1 Confidential Information

- (a) **"Confidential Information"** means all information that has been identified as

confidential and which is furnished or disclosed by the Disclosing Party and its Representatives to the Receiving Party and its Representatives in connection with the Application or Funding Agreement, whether before or after the Parties signed the Funding Agreement, including all new information derived at any time from any such confidential information, but excluding:

The Recipient expressly consents to such communication and disclosure of any relevant information.
- (d) The Recipient agrees that the IESO may use and disclose the Confidential Information of the Recipient to the Government of Ontario and its ministries and agencies, including the Auditor General of Ontario, as well as the IESO's Representatives, for the purposes of administering and providing updates on the status of the IESP, developing policies or standards related to community power projects or programs, and general reporting purposes. - (i) Upon the expiry or termination of the Funding Agreement and at the request of the Disclosing Party, the Receiving Party will destroy or return the Confidential Information to the Disclosing Party, provided that the Receiving Party may retain a copy of such essential information as required by applicable law and its document retention policies.

10.2 FIPPA Compliance
