

This page sets out the instructions for completing the Prescribed Form: Long-Term Reliability Project Description.

All capitalized terms used in these instructions and the Prescribed Form: Long-Term Reliability Project Description, unless otherwise stated, have the meanings ascribed to them in the LT1 RFQ.

Instructions applicable to all Prescribed Forms:

- a. This instruction page is not required to be submitted as part of the completed Prescribed Form.
- b. The Prescribed Form is required to be submitted electronically via email to the IESO at LT.RFP@ieso.ca.
- c. Information provided in each Prescribed Form should be consistent with the information provided in the Qualification Submission.
- d. Where the Prescribed Form has multiple pages, the pages of the Prescribed Form should be kept together in the Qualification Submission in sequential order.
- e. Where a blank field for a section/page reference is provided in a Prescribed Form, enter the section/page reference of the Qualification Submission where the substantiating evidence for that particular item can be found.
- f. Apart from the completion of any blanks, drop down lists, check boxes or similar uncompleted information in a Prescribed Form, no amendments may be made to the wording of a Prescribed Form.
- g. Each Prescribed Form must be completed in its entirety. Fields marked <if applicable> must be completed if applicable to the Qualification Submission. If not applicable, they should be marked "not applicable".
- h. If a signature is required for a Prescribed Form, the Prescribed Form must be signed by a person with authority to bind the RFQ Applicant. The Prescribed Form may be printed, signed and scanned, or may be signed digitally through Adobe (Digital ID, or Fill and Sign), Apple Preview or DocuSign.
- i. With the exception of this instruction page, instructions within a Prescribed Form will be enclosed in brackets.

Instructions specific to this Prescribed Form: Long-Term Reliability Project Description

- j. A separate Prescribed Form: Long-Term Reliability Project Description is required for each Qualification Submission the RFQ Applicant intends to submit under the LT1 RFP or Expedited Process as per Section 2.7(b)(i).
- k. The RFQ Applicants must submit a description of at least one (1) proposed Long-Term Reliability Project, provided that the RFQ Applicants must submit a description of all

proposed Long-Term Reliability Projects for which the RFQ Applicants are seeking qualification to participate in the Expedited Process.

- I. An RFQ Applicant that is submitting descriptions for multiple Long-Term Reliability Projects must submit a separate Prescribed Form: Long-Term Reliability Project Description for each Long-Term Reliability Project.
- m. The Prescribed Form: Long-Term Reliability Project Description must be completed and submitted, as a part of the Qualification Submission, via email to the IESO at LT.RFP@ieso.ca.

The remainder of page intentionally left blank

Capitalized terms not defined herein have the meanings ascribed to them in the LT1 RFQ.

All information provided on this Prescribed Form: Long-Term Reliability Project Description pursuant to Section 2.13 of the LT1 RFQ is provided for information purposes to inform the design of the LT1 RFP and Expedited Process, and will not be used by the IESO for the purposes of evaluation of the Qualification Submissions.

Eligible Participation in the Expedited Process

Confirm whether the RFQ Applicant is submitting the proposed Long-Term Reliability Project described in this Prescribed Form: Long-Term Reliability Project Description seeking eligibility to submit a proposal for such Long-Term Reliability Project under the Expedited Process: *(Tick one)*

Yes, seeking eligibility for the Expedited Process

No, not seeking eligibility for the Expedited Process

Information on proposed Long-Term Reliability Project

A. Mandatory Information
