Hello,

You are receiving this email as a subscriber to either the [IESO's Medium-Term RFP or Long-Term RFP mailing lists](#), or as an attendee of one of the LT2 RFP engagement webinars.

Please note that future updates related to the MT2 RFP will only be sent to subscribers of the [Medium-Term RFP mailing list](#).

As a brief background, the Medium-Term 2 Request for Proposals (MT2 RFP) aims to procure existing resources with contracts expiring between 2026 and 2029. These resources are well-positioned to cost-effectively meet Ontario's emerging energy and capacity needs in the late 2020s and into the early 2030s. The MT2 RFP includes both capacity and energy streams, and proposals will be evaluated primarily on price. Registration is expected to open in September 2024, with the final RFP and contract expected in November 2024.

Please note the following updates regarding the MT2 RFP:

1. The [Medium-Term 2 RFP](#) webpage been updated and the following documents have been posted:

- Draft MT2 (Energy) RFP
- Draft MT2 (Capacity) RFP
- MT2 RFP Capacity and Energy Qualification Guidance Document
- Prescribed Form: Registration Form (Capacity)
- Prescribed Form: Registration Form (Energy)

2. On **August 28th**, the IESO will be posting the following draft documents to the [Medium-Term 2 RFP](#) webpage:
