- (i) the Supplier shall notify the Buyer promptly and, in any event, within ten (10) Business Days upon becoming aware of the consequences of such change;
 - (ii) the Parties and, at the Buyer's discretion, those Other Suppliers who are required by the Buyer to participate, shall engage in good faith negotiations to amend the affected obligations under this Agreement and the respective agreements of those Other Suppliers on the basis that such amendments shall alter or reduce the applicable obligation only to the extent necessary to eliminate the need to incur such material costs as set out above, where such altered or reduced obligation is as close as possible to the obligation hereunder prior to such alteration or reduction; and
 - (iii) if amendments to this Agreement are required pursuant to Section 1.6(b)(ii) but the Parties fail to reach agreement on such amendments within sixty (60) days after the change in the IESO Market Rules became effective, the matter shall be determined by mandatory and binding arbitration, from which there shall be no appeal, with such arbitration(s) to be conducted in accordance with the procedures set out in Exhibit K. However, if the Supplier fails to participate in such arbitration, the Supplier acknowledges that it waives its right to participate in such arbitration, which may nevertheless proceed, and the Supplier shall be bound by the award of the Arbitration Panel and the subsequent amendments to this Agreement (if any) made by the Buyer to implement such award of the Arbitration Panel set out in Section 1.6(c)(iii).

- (a) if a provision is considered to be invalid, inapplicable or unenforceable, then the Party considering such provision to be invalid, inapplicable or unenforceable may propose, by notice in writing to the other Party, a replacement provision and the Buyer and the Supplier and, at the Buyer's discretion, those Other Suppliers who are required by the Buyer to participate, shall then engage in good faith negotiations to replace such provision with a valid, enforceable, and applicable provision, the economic effect of which substantially reflects that of the invalid, unenforceable, or inapplicable provision which it replaces;

- (c) if the Parties agree that amendments to this Agreement are required pursuant to this Section 1.7 and the negotiations set out in Sections 1.7(a) or 1.7(b) are not successful, then if the Parties are unable to agree on all such issues and any amendments required to this Agreement (the "**Replacement Provision(s)**") within thirty (30) days after the receipt of the notice under Section 1.7(a) or the occurrence of the event in Section 1.7(b), then the Replacement Provision(s) shall be determined by mandatory and binding arbitration from which there shall be no appeal, with such arbitration to be conducted in accordance with the procedures set out in Exhibit K. However, if the Supplier fails to participate in such arbitration, the Supplier acknowledges that it waives its right to participate in such arbitration, which shall nevertheless proceed, and the Supplier shall be bound by the award of the Arbitration Panel and the subsequent amendments to this Agreement made by the Buyer to implement such award of the Arbitration Panel set out in Section 1.7(d)(iii); and

- (d) the terms of this Agreement shall be amended either:
 - (i) by the agreement of the Parties, where no award of an Arbitration Panel has been made pursuant to Section 1.7(c);
 - (ii) by the agreement of the Parties made pursuant to and in implementation of an award of the Arbitration Panel made pursuant to Section 1.7(c); or
 - (iii) by an amendment prepared by the Buyer made pursuant to and to implement an award of the Arbitration Panel made pursuant to Section 1.7(c), where the Supplier failed to participate in such arbitration,

with such agreement or amendment, as applicable, having effect as of the date of the invalidity, inapplicability or unenforceability, as the case may be.

There are no warranties, conditions, or representations (including any that may be implied by statute) and there are no agreements in connection with the subject matter of this Agreement except as specifically set forth or referred to in this Agreement. No reliance is placed on any warranty, representation, opinion, advice or assertion of fact made by a Party to this Agreement, or its directors, officers, employees or agents, to the other Party to this Agreement or its directors, officers, employees or agents, except to the extent that the same has been reduced to writing and included as a term of this Agreement.

Except as expressly provided in this Agreement, no amendment or waiver of any provision of this Agreement shall be binding unless executed in writing by the Party (or Parties) to be bound thereby. No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of any provision of this Agreement constitute a continuing waiver or operate as a waiver of, or estoppel with respect to, any subsequent failure to comply unless otherwise expressly provided.

1.10 Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

1.11 Preparation of Agreement

Notwithstanding the fact that this Agreement was drafted by the Buyer's legal and other professional advisors, the Parties acknowledge and agree that any doubt or ambiguity in the meaning, application or enforceability of any term or provision of this Agreement shall not be construed or interpreted against the Buyer or in favour of the Supplier when interpreting such term or provision, by virtue of such fact.

1.12 Time

Where the time for performance of an obligation under this Agreement expires on a day which is not a Business Day, the deadline for performance of such obligation shall be the next day that is a Business Day.

ARTICLE 2 DESIGN AND OPERATION

2.1 Operational Covenants

- (a) From the Contract Date until the expiry of the Term, the Supplier shall own, operate and maintain the Facility in accordance with Good Engineering and Operating Practices and meeting all applicable requirements of the IESO Market Rules, the Transmission System Code, the Distribution System Code and any Connection Agreements with the System Operator, a Transmitter, or an LDC.
- (b) From and after the beginning of the hour ending 01:00 hours (EST) of the Term Commencement Date, the Monthly Payments shall begin to accrue and be payable in accordance with Section 4.1 and Article 5. For certainty, the Parties acknowledge that the Buyer is not purchasing from the Supplier, nor is the Supplier selling to the Buyer, any Electricity or Related Products hereunder.
- (c) The Supplier agrees to assume all risk, liability and obligation and to indemnify, defend and hold harmless the Indemnitees in respect of all actions, causes of action, suits, proceedings, claims, demands, losses, damages, penalties, fines, costs, obligations and liabilities arising out of a discharge of any contaminant into the natural environment, at or related to, the Facility and any fines or orders of any kind that may be levied or made in connection therewith pursuant to the *Environmental Protection Act* (Ontario), the *Ontario Water Resources Act* (Ontario), the *Dangerous Goods Transportation Act* (Ontario) or other similar legislation, whether federal or provincial and all as amended from time to time, except to the degree that such discharge shall have been due to the negligence or willful misconduct of the Indemnitees.
- (d) A Facility which is also a load facility under the IESO Market Rules or a consumer under the Distribution System Code, as applicable, shall be solely responsible for all charges in relation to Electricity consumed by it in order to operate the Facility in accordance with this Agreement.
- (e) Supplier shall use Commercially Reasonable Efforts to procure and maintain sufficient fuel supply (as applicable) to be utilized by the Facility necessary for meeting its operations hereunder.
- (f) The Supplier shall at no time after the Contract Date modify, vary, or amend in any material respect any of the features or specifications of the Facility outlined in Exhibit A (any such change, a “**Facility Amendment**”) without first notifying the Buyer in writing and obtaining the Buyer’s consent in writing, which consent shall

not be unreasonably withheld, provided that it shall not be unreasonable for the Buyer to withhold its consent to any modification, variation or amendment which would, or would be likely to, materially adversely affect the ability of the Supplier to comply with its obligations under this Agreement. Any Facility Amendment that has not been consented to by the Buyer (other than in instances where such consent has been unreasonably withheld) shall, if not removed within ten (10) Business Days after such Facility Amendment occurred, constitute a Supplier Event of Default. Notwithstanding the foregoing, the Buyer's consent to a Facility Amendment that results in an increase or a decrease to the Contract Capacity shall be subject to the Buyer's sole and absolute discretion.

2.2 Metering and Dispatch Capabilities

- (a) The Supplier covenants and agrees to provide, at its expense, individual meters and ancillary metering and monitoring equipment for the Facility as required by the IESO Market Rules and sufficient to calculate the output of Electricity from the Facility net of any Station Service Loads and inclusive of any loss adjustment factors. The Buyer may obtain access internally to the revenue-quality interval meter data of the Facility provided to the Buyer under the IESO Market Rules to calculate the output of Electricity from the Facility net of any Station Service Loads and inclusive of any loss adjustment factors, or, if required, the Supplier shall provide the Buyer, for the purposes of this Agreement, the right to view, download and request such revenue-quality interval meter data of the Facility by establishing an Associated Relationship with the Buyer at the Delivery Point of the Facility within the Buyer's "Meter Data Management" or "MDM" or "Meter Data Distribution" or "MDD" systems or their successors, at no cost to the Buyer.
- (b) The Supplier shall, no earlier than the date it delivers its Pre-Term Capacity Verification pursuant to Section 2.3(a), deliver a Metering Plan to the Buyer for its approval. The Buyer shall notify the Supplier in writing within twenty (20) Business Days following receipt of the Metering Plan provided by the Supplier, whether the Metering Plan is acceptable to the Buyer, acting reasonably. The Buyer shall, when considering whether to approve the Metering Plan, have regard to those Electricity matters in the Metering Plan that have received System Operator approval. If the Buyer has not approved the Metering Plan, the Supplier shall revise the Metering Plan to reflect the Buyer's comments and shall resubmit it to the Buyer for approval. The Supplier will provide the Buyer with a commissioning report for all revenue meters referenced in the Metering Plan.
- (c) The Buyer retains the right to audit, at any time during the Term, on reasonable notice to the Supplier and during normal business hours, the metering equipment to confirm the accuracy of the Metering Plan and the meter data of the Facility to confirm the accuracy of such data.

2.3 Pre-Term Capacity Verification

- (a) The Supplier shall, no later than ninety (90) days and no earlier than one hundred and eighty days (180) days prior to the Term Commencement Date ("PTC

Verification Period”), deliver an IE Certificate (such confirmation, the “**Pre-Term Capacity Verification**”).

- (b) The Buyer shall notify the Supplier in writing within twenty (20) Business Days following receipt of the documentation provided by the Supplier under the Pre-Term Capacity Verification, whether such documentation is acceptable to the Buyer, acting reasonably. If the Buyer determines that such documentation provided by the Supplier does not meet the requirements of the Pre-Term Capacity Verification, the Buyer shall at the time of such notification provide to the Supplier reasonable particulars in respect of the deficiencies in such documentation.
- (c) Notwithstanding anything else in this Agreement, the Supplier agrees that Monthly Payments shall not begin to accrue and be payable by the Buyer until such time as the Pre-Term Capacity Verification is completed and that even if the Pre-Term Capacity Verification has not been completed by the Term Commencement Date, the Term shall nevertheless expire on the date set out in Section 9.1(b) and such shortened payment period shall constitute liquidated damages and not a penalty. Additionally, if the Pre-Term Capacity Verification set out in Section 2.3(a) is not completed by the date that is three (3) calendar months after the Term Commencement Date (the “**Longstop Date**”), such failure shall constitute a Supplier Event of Default as set out in Section 10.1(j). If the Pre-Term Capacity Verification is achieved after the period specified in Section 2.3(a) but on or before the Longstop Date, then such delay shall not constitute a Supplier Event of Default and the Buyer’s sole remedy in such case shall be the shortened payment period during the Term as provided in this Section 2.3(c). Notwithstanding anything else in this Agreement, Force Majeure may apply to extend the PTC Verification Period but shall not, in any circumstances, extend the Longstop Date or impact the Supplier Event of Default as set out in Section 10.1(j).

- (c) Upon the request of the Buyer, the Supplier will provide the Buyer with a copy of each insurance policy to be furnished within ten (10) Business Days of the request being made by the Buyer.
- (d) If the Supplier is subject to the *Workplace Safety and Insurance Act* (Ontario), as amended from time to time, it shall submit a valid clearance certificate of Workplace Safety and Insurance Act coverage to the Buyer on or prior to the Contract Date. In addition, the Supplier shall, from time to time at the request of the Buyer, provide additional *Workplace Safety and Insurance Act* (Ontario) clearance certificates. The Supplier agrees to pay when due, and to ensure that each of its contractors and subcontractors pays when due, all amounts required to be paid by it and its contractors and subcontractors, from time to time from the Contract Date, under the *Workplace Safety and Insurance Act* (Ontario), as amended from time to time, failing which the Buyer shall have the right, in addition to and not in substitution for any other right it may have pursuant to this Agreement or otherwise at law or in equity, to pay to the Workplace Safety and Insurance Board any amount due pursuant to the *Workplace Safety and Insurance Act* (Ontario), as amended from time to time, and unpaid by the Supplier or its contractors and subcontractors and to deduct such amount from any amount due and owing from time to time to the Supplier pursuant to this Agreement together with all costs incurred by the Buyer in connection therewith.
- (e) Within ten (10) Business Days of any request therefore by the Buyer, the Supplier shall provide the Buyer, via electronic submission, with an electronic certificate of each insurance policy required in this Section 2.4 which confirms the relevant coverage, including endorsements, and that is issued in the name of, or otherwise confirms coverage of, the Supplier and the Facility, as applicable.

- (b) The Buyer and the Supplier shall each furnish, in a timely manner, information to Governmental Authorities and shall each obtain and maintain in good standing any license, permit, certificate, registration, authorization, consent or approval of any Governmental Authority required to perform or comply with their respective obligations under this Agreement, including such licensing as is required by the OEB. Without limiting the generality of the foregoing, the Supplier agrees to meet all applicable Facility registration requirements as specified in the IESO Market Rules.

- (c) The Supplier shall apply to the System Operator to become authorized as a “Market Participant” or as a “Generator” and designated as a “Metered Market Participant” pursuant to the IESO Market Rules. The settlement of Market Settlement Charges shall take place directly between the Supplier as the “Metered Market Participant” and the System Operator, and any costs incurred by the Supplier acting as the “Market Participant” pursuant to the IESO Market Rules in respect of this Agreement shall be charged to and be the sole responsibility of the Supplier, unless otherwise expressly set out herein.

2.6 Environmental Attributes

- (a) The Buyer shall have no interest hereunder in any Environmental Attributes arising from the operation of the Facility or, except in respect of any Future Capacity Related Products, other products or services associated with the generation of Electricity by the Facility.
- (b) The Supplier shall, at its sole expense, be responsible for complying with any Laws and Regulations relating to environmental matters, including those that may require the use or procurement of Environmental Attributes, including any costs associated with obtaining, qualifying, registering, transferring or retiring Environmental Attributes for the operation of the Facility or otherwise.

2.7 Future Capacity Related Products

- (a) The Supplier will provide the Buyer with prior written notice of the development by the Supplier of any Future Capacity Related Products, from time to time.
- (b) The Supplier shall not, without the Buyer’s prior written consent, which consent shall be subject to the Buyer’s sole and absolute discretion, develop, register or monetize any Future Capacity Related Products during the Term.

ARTICLE 3 PERFORMANCE OBLIGATIONS

3.1 Minimum Performance Factor

Throughout the Term, the Supplier must offer Electricity output from the Facility into the IESO-Administered Markets Facility’s from the Contract Capacity that is not subject to an Outage in accordance with Good Engineering and Operating Practices. Without limiting the generality of the foregoing, where the Actual Performance Factor is less than eighty percent (80%) of the Annual Average Imputed Production Factor (the “**Minimum Performance Factor**”), a Non-Performance Charge shall be assessed in accordance with Exhibit F and charged to the Supplier for the applicable Settlement Month as liquidated damages and not as a penalty, being a genuine pre-estimate of the damages suffered by the Buyer as a result of such shortfall in performance. Except for the Supplier Event of Default set out in Section 10.1(i), and subject to Supplier’s compliance with the other requirements set out in this Agreement (including the obligation to operate and maintain the Facility in accordance with Good Engineering and Operating Practices), the

Availability Non-Performance Charge shall be the sole and exclusive remedy for the Supplier's failure to satisfy the Minimum Performance Factor.

ARTICLE 4

CALCULATION OF MONTHLY PAYMENT

4.1 Calculation of Monthly Payment

The “**Monthly Payment**” shall be an amount, based on the imputed operating and revenue model calculated in accordance with Exhibit J. 4.4 Non-Residency

If the Supplier is or becomes a non-resident of Canada, as that term is defined in the ITA, the Supplier shall notify the Buyer forthwith of such status and shall provide the Buyer with information sufficient to permit the Buyer to comply with any withholding Tax, or other Tax obligations, to which the Buyer may be subject as a result thereof. If the Buyer incurs any withholding or other similar liability for Taxes as a result of such non-residency, then payments under this Agreement by the Buyer shall be reduced by the amount of such withholding Taxes and the Buyer shall remit such withholding Taxes to the applicable taxing authorities. The Buyer shall within sixty (60) days after remitting such Taxes, notify the Supplier in writing, providing reasonable detail of such payment so that the Supplier may claim any applicable rebates, refunds or credits from the applicable taxing authorities. If, after the Buyer has paid such amounts, the Buyer receives a refund, rebate or credit on account of such Taxes, then the Buyer shall promptly remit such refund, rebate or credit amount to the Supplier.

ARTICLE 5 STATEMENTS AND PAYMENTS

5.2 Statements

The Buyer shall prepare and deliver a settlement statement (the "**Statement**") to the Supplier, within twenty (20) Business Days after the end of each calendar month in the Term that is the subject of the Statement (the "**Settlement Month**"), setting out the basis for the Monthly Payment with respect to the Settlement Month, as well as the basis for any other payments owing under this Agreement by either Party to the other in the Settlement Month. A Statement may be delivered by the Buyer to the Supplier by electronic means and shall include the reference number assigned to this Agreement by the Buyer and a description of the components of the Monthly Payment and other payments, as described in this Agreement, including Section 4.1 as applicable, owing to the Supplier for the Settlement Month.

5.3 Payment

If the Supplier subsequently delivers a Letter of Credit or other security or other collateral permitted pursuant hereto, in each case satisfactory to the Buyer in its sole and absolute discretion as to form, substance and amount, then upon acceptance by the Buyer thereof, the Buyer shall remit to the Supplier all amounts held by the Buyer as Completion and Performance Security pursuant to this Section 6.2(b)(iii).

Termination Date. The Supplier may hold back payment or set off against any payments owed by it if the Buyer fails to comply with its obligations on termination.

10.5 Remedies for Termination Non-Exclusive

The termination of this Agreement by either Party and the payment of all amounts then due and owing to the other Party as expressly provided in this Agreement shall not limit, waive or extinguish in any way the recourse of either Party to any remedies available to it in relation to such termination at law, in equity or otherwise, nor shall such termination affect any rights that the Indemnitees may have pursuant to any indemnity given under this Agreement.

ARTICLE 11 FORCE MAJEURE

11.1 Effect of Invoking Force Majeure

- (a) If, by reason of any act, event, cause or condition that constitutes Force Majeure hereunder:
 - (i) the Supplier is unable to make available all or any part of the Contract Capacity during the Term or is unable to deliver Electricity from the Facility during the Term; or
 - (ii) either Party is unable, wholly or partially, to perform or comply with its other obligations (other than payment obligations) hereunder;

then the Party so affected by Force Majeure shall be excused and relieved from performing or complying with such obligations (other than payment obligations) or meeting such timelines, as applicable, and shall not be liable for any liabilities, damages, losses, payments, costs, expenses (or Indemnifiable Losses, in the case of the Supplier affected by Force Majeure) to, or incurred by, the other Party in respect of or relating to such Force Majeure and such Party's failure to so perform or comply during the continuance and to the extent of the inability so caused from and after the invocation of Force Majeure.

If an event of Force Majeure causes the Supplier to not achieve Commercial Operation by the Milestone Date for Commercial Operation, then the Milestone Date for Commercial Operation shall be extended for such reasonable period of delay directly resulting from such Force Majeure event. If an event of Force Majeure causes the Supplier to not achieve Commercial Operation by the Longstop Date and did not previously extend the Milestone Date for Commercial Operation as contemplated in the preceding sentence, then the Longstop Date shall be extended for such reasonable period of delay directly resulting from such Force Majeure event. Following the Term Commencement Date, an event of Force Majeure shall not extend the Term. Additionally, notwithstanding the prior paragraph of this Section 11.1(a), following the Term Commencement Date, during such time as the Supplier is so unable to perform or comply with its obligations as a result of a Force Majeure, then adjustments to the Monthly Payment with respect

to the portion of the Monthly Contract Capacity affected by Force Majeure will be calculated in accordance with Exhibit J.

- (b) A Party shall be deemed to have invoked Force Majeure with effect from the commencement of the event or circumstances constituting Force Majeure when that Party gives to the other Party prompt notice in writing of the effect of the Force Majeure and reasonably full particulars of the cause thereof, in substantially the form as set forth in Exhibit H, provided that such notice shall be given within ten (10) Business Days of: (i) the commencement of the event or circumstances constituting Force Majeure; or (ii) the date that the Party invoking Force Majeure knew or ought to have known that the event or circumstances constituting Force Majeure could have a Material Adverse Effect on the development or operation of the Facility. Where a Party fails to provide notice of the commencement of the event or circumstances constituting Force Majeure within ten (10) Business Days of the commencement of such event or circumstances, such Party shall be deemed to have invoked Force Majeure with effect from the date when that Party gives to the other Party written notice in substantially the form as set forth in Exhibit H, of the event or circumstances constituting Force Majeure. If the effect of the Force Majeure and full particulars of the cause thereof cannot be reasonably determined within such ten (10) Business Day period, the Party invoking Force Majeure shall be allowed a further ten (10) Business Days (or such longer period as the Parties may agree in writing) to provide such full particulars, in substantially the form set forth as Exhibit H, to the other Party.
- (c) The Party invoking Force Majeure shall use Commercially Reasonable Efforts to remedy the situation and remove, so far as possible and with reasonable dispatch, the Force Majeure, but settlement of strikes, lockouts and other labour disturbances shall be wholly within the discretion of the Party involved. Where the Supplier invokes Force Majeure, the Supplier shall: (i) provide to the Buyer information and documentation confirming to the satisfaction of the Buyer, acting reasonably, that such Commercially Reasonable Efforts were used, and (ii) represent and warrant that such information and documentation are true, complete and accurate in all material respects and that no material information is omitted that would make such information or documentation misleading or inaccurate.
- (d) The Party invoking Force Majeure shall give prompt written notice of the termination of the event of Force Majeure, provided that such notice shall be given within ten (10) Business Days of the termination of the event or circumstances constituting Force Majeure.
- (e) Nothing in this Section 11.1 shall relieve a Party of its obligations to make payments of any amounts that were due and owing before the occurrence of the Force Majeure or that otherwise may become due and payable during any period of Force Majeure.
- (f) If, by reason of Force Majeure, the Supplier is unable to perform or comply with its obligations (other than payment obligations) hereunder for more than an aggregate of thirty-six (36) months in any sixty (60) month period during the Term,

then either Party may terminate this Agreement upon notice to the other Party without any costs or payments of any kind to either Party, except for any amounts that were due or payable by a Party hereunder up to the date of termination, and all security shall be returned forthwith.

11.2 Exclusions

A Party shall not be entitled to invoke Force Majeure under this Article 11, nor shall it be relieved of its obligations hereunder in any of the following circumstances:

- (a) if and to the extent the Party seeking to invoke Force Majeure has caused the applicable event of Force Majeure by its fault or negligence, including the Supplier's failure to procure or maintain fuel supply (as applicable) or delivery services to be utilized by the Facility;
- (b) if and to the extent the Party seeking to invoke Force Majeure has failed to use Commercially Reasonable Efforts to prevent or remedy the event of Force Majeure and remove, so far as possible and within a reasonable time period, the Force Majeure (except in the case of strikes, lockouts and other labour disturbances, the settlement of which shall be wholly within the discretion of the Party involved);
- (c) if and to the extent that the Party seeking to invoke Force Majeure because of arrest or restraint by a Governmental Authority, such arrest or restraint was the result of a breach by such Party of Laws and Regulations;
- (d) if the Force Majeure was caused by a lack of funds or other financial cause;
- (e) if the System Operator amends the schedule of Planned Outages for the Facility as set out in the Annual Operating Plan;
- (f) if the Party invoking Force Majeure fails to comply with the notice provisions in Sections 11.1(b) or 11.1(d);
- (g) in respect of any impacts of the COVID-19 pandemic, the Russo-Ukrainian military conflict or the military conflict in, adjacent to or relating to the state of Israel, that were known or ought reasonably to be known by the Supplier, in each case, based on their magnitude, scope and geographic scale as of the Contract Date;
- (h) if the demand for Electricity or Capacity Products in the Province of Ontario is reduced in any material respect;
- (i) if and to the extent the Party is seeking to invoke Force Majeure as a result of the failure of performance of any other third party (including contractors or subcontractors) that is or was a direct or indirect vendor, materials supplier, service provider, transportation carrier, or other supplier, or customer, to or of such Party, unless such failure of performance of such third party was itself directly caused by an event that would be considered an event of Force Majeure under this Agreement, mutatis mutandis; or

- (j) if and to the extent the Party is seeking to invoke Force Majeure because of its inability to obtain any consent, amendment or other approval of the Buyer pursuant to the terms of this Agreement.

For greater certainty, actions of the Buyer that are not actions of the System Operator shall not constitute Force Majeure.

11.3 Definition of Force Majeure

For the purposes of this Agreement, the term “**Force Majeure**” means any act, event, cause or condition that prevents a Party from performing its obligations (other than payment obligations) hereunder, but only if and to the extent the impact of such act, event, cause or condition on the affected Party could not reasonably have been anticipated as at the Contract Date and is beyond the affected Party’s reasonable control, including:

- (a) acts of God, including extreme wind, ice, lightning or other storms, earthquakes, tornadoes, hurricanes, cyclones, landslides, drought, floods and washouts;
- (b) fires or explosions;
- (c) local, regional or national states of emergency;
- (d) strikes and other labour disputes, other than legal strikes or labour disputes by employees or personnel of (i) such Party, or (ii) a third party contractor of such Party, unless, in either such case, such strikes or other labour disputes are the result or part of a general industry strike or labour dispute;
- (e) delays or disruptions (including those arising from other events of Force Majeure referred to in this Section 11.3) in fuel supply, as applicable, (whether such Force Majeure event is in respect of a Party or a third party);
- (f) civil disobedience or disturbances, war (whether declared or not), acts of sabotage, blockades, insurrections, terrorism, revolution, riots or epidemics;
- (g) an order, judgment, legislation, ruling or direction by Governmental Authorities restraining a Party, provided that the affected Party has not applied for or assisted in the application for and has used Commercially Reasonable Efforts to oppose said order, judgment, legislation, ruling or direction;
- (h) any inability, despite the use of Commercially Reasonable Efforts, to obtain, or to secure the renewal or amendment of, any permit, certificate, impact assessment, licence or approval of any Governmental Authority, Transmitter or LDC required to perform or comply with any obligation under this Agreement, unless the revocation or modification of any such necessary permit, certificate, impact assessment, licence or approval was caused by the violation of the terms thereof or consented to by the Party invoking Force Majeure;
- (i) following the Term Commencement Date, any unanticipated maintenance or Outage affecting the Facility:

- (i) which is not identified in the Supplier's then current schedule of Planned Outages submitted to the Buyer in advance of the occurrence of an event of Force Majeure referred to in any other subsection of this Section 11.3, and
- (ii) which results directly from, or is scheduled or planned directly as a consequence of, an event of Force Majeure referred to in any other subsection of this Section 11.3, or which results from a failure of equipment that prevents the Facility from producing Electricity, provided that:
 - (A) notice of the unanticipated maintenance or Outage is provided to the Buyer by the Supplier concurrently, or as soon as reasonably possible thereafter, with the notice in respect thereof provided to the System Operator under the IESO Market Rules but, in any event, within ten (10) Business Days thereof;
 - (B) the Supplier provides notice to the Buyer immediately, or as soon as reasonably possible thereafter, upon receipt from the System Operator of advance acceptance or other proposed scheduling or approval of such maintenance or outage, if such approval is required to be obtained from the System Operator;
 - (C) the Supplier provides timely updates to the Buyer of the commencement date of the maintenance or outage and, where possible, provides seven (7) days advance notice of such date;
 - (D) the unanticipated maintenance or Outage is commenced within one hundred and twenty (120) days of the commencement of the occurrence of the relevant event of Force Majeure; and
 - (E) the Supplier schedules the unanticipated maintenance or outage in accordance with Good Engineering and Operating Practices.

For greater certainty, nothing in this Section 11.3(j) shall be construed as limiting the duration of an event of Force Majeure. Each Party shall resume its obligations as soon as the event of Force Majeure has been overcome.

ARTICLE 12 LENDER'S RIGHTS

12.1 Lender Security

Notwithstanding Section 16.5, the Supplier, from time to time on or after the date of execution of this Agreement shall have the right, at its cost, to enter into a Secured Lender's Security Agreement. For the avoidance of doubt, in the case of a deed of trust or similar instrument securing bonds or debentures where the trustee holds security on behalf of, or for the benefit of, other lenders, only the trustee shall be entitled to exercise the rights and remedies under the Secured Lender's Security Agreement as the Secured Lender on behalf of the lenders. A Secured Lender's Security Agreement shall be based upon and subject to the following conditions:

- (a) A Secured Lender's Security Agreement may be made in respect of obligations for any amounts and subject to any terms (including terms of applicable loans, interest rates, payment terms and prepayment privileges or restrictions) as desired by the Supplier, except as otherwise provided in this Agreement. A Secured Lender's Security Agreement may secure any indebtedness, liability or obligation of the Supplier, whether exclusively related to the Facility or otherwise, and may cover any real or personal property in addition to the Supplier's Interest. For greater certainty, a Secured Lender's Security Agreement may cover shares or partnership interests in the capital of the Supplier.
- (b) The Buyer shall have no liability whatsoever for payment of the principal sum secured by any Secured Lender's Security Agreement, or any interest accrued thereon or any other sum secured thereby or accruing thereunder; and the Secured Lender shall not be entitled to seek any damages against the Buyer for any or all of the same.
- (c) No Secured Lender's Security Agreement shall be recognized by the Buyer or give rise to any rights hereunder in the enforcement of the Buyer's rights and remedies provided in this Agreement or by Laws and Regulations, unless and until an electronic copy thereof and the registration details, if applicable, together with written notice of the address of the Secured Lender to which notices may be sent have been delivered to the Buyer by the Supplier or the Secured Lender; and in the event of an assignment of such Secured Lender's Security Agreement, such assignment shall not be recognized by the Buyer or establish any rights hereunder in favour of such assignee unless and until a copy thereof and the registration details, if applicable, together with written notice of the address of the assignee thereof to which notices may be sent, have been delivered to the Buyer by the Supplier or the Secured Lender.
- (d) If the Supplier is in default under or pursuant to the Secured Lender's Security Agreement and the Secured Lender intends to exercise any rights afforded to the Secured Lender under this Agreement, then the Secured Lender shall give written notice of such default to the Buyer at least ten (10) Business Days prior to exercising any such rights.
- (e) Any Secured Lender's Security Agreement permitted hereunder may secure two (2) or more separate debts, liabilities or obligations in favour of two (2) or more separate Secured Lenders, provided that such Secured Lender's Security Agreement complies with the provisions of this Article 12.
- (f) Any number of permitted Secured Lender's Security Agreements may be outstanding at any one time, provided that each such Secured Lender's Security Agreement complies with the provisions of this Article 12.
- (g) All rights acquired by a Secured Lender under any Secured Lender's Security Agreement shall be subject to all of the provisions of this Agreement, including the restrictions on assignment contained herein. While any Secured Lender's Security Agreement is outstanding, the Buyer and the Supplier shall not amend or

supplement this Agreement or agree to a termination of this Agreement without the consent of the Secured Lender, which consent shall not be unreasonably withheld, conditioned, or delayed. A Secured Lender must respond within a reasonable period of time to any request to amend or supplement this Agreement.

- (h) Despite any enforcement of any Secured Lender's Security Agreement, the Supplier shall remain liable to the Buyer for the payment of all sums owing to the Buyer under this Agreement and for the performance of all of the Supplier's obligations under this Agreement.

12.2 Rights and Obligations of Secured Lenders

While any Secured Lender's Security Agreement remains outstanding, and if the Buyer has received the notice referred to in Section 12.1(c) and the contents thereof are embodied in the agreement entered into by the Buyer in accordance with Section 12.3, the following provisions shall apply:

- (a) No Supplier Event of Default (other than those referenced in Section 10.2(c)) shall be grounds for the termination by the Buyer of this Agreement until:
 - (i) any notice required to be given under Section 10.1 and Section 10.2(a) has been given to the Supplier and to the Secured Lender; and
 - (ii) the cure period set out in Section 12.2(b) has expired without a cure having been completed and without the Secured Lender having taken the actions therein contemplated.
- (b) In the event the Buyer has given any notice required to be given under Section 10.1, the Secured Lender shall, within the applicable cure period (including any extensions), if any, have the right (but not the obligation) to cure such default, and the Buyer shall accept such performance by such Secured Lender as if the same had been performed by the Supplier.
- (c) Any payment to be made or action to be taken by a Secured Lender hereunder as a prerequisite to keeping this Agreement in effect shall be deemed properly to have been made or taken by the Secured Lender if such payment is made or action is taken by a nominee or agent of the Secured Lender or a receiver or receiver and manager appointed by or on the application of the Secured Lender.
- (d) A Secured Lender shall be entitled to the Supplier's rights and benefits contained in this Agreement and shall become liable for the Supplier's obligations solely as provided in Section 12.2(e). A Secured Lender may, subject to the provisions of this Agreement, enforce any Secured Lender's Security Agreement and acquire the Supplier's Interest in any lawful way and, without limitation, a Secured Lender or its nominee or agent or a receiver or receiver and manager appointed by or on the application of the Secured Lender, may take possession of and manage the Facility and, upon foreclosure, or without foreclosure upon exercise of any contractual or statutory power of sale under such Secured Lender's Security Agreement, may sell

or assign the Supplier's Interest with the consent of the Buyer as required under Section 12.2(f).

- (e) Until a Secured Lender (i) forecloses or has otherwise taken ownership of the Supplier's Interest or (ii) has taken possession or control of the Supplier's Interest, whether directly or by an agent as a mortgagee in possession, or a receiver or receiver and manager has taken possession or control of the Supplier's Interest by reference to the Secured Lender's Security Agreement, the Secured Lender shall not be liable for any of the Supplier's obligations or be entitled to any of the Supplier's rights and benefits contained in this Agreement, except by way of security. If the Secured Lender itself or by a nominee or agent, or a receiver or a receiver and manager appointed by or on the application of the Secured Lender, is the owner or is in control or possession of the Supplier's Interest, then the entity that is the owner or is in control or possession of the Supplier's Interest shall be bound by all of the Supplier's obligations. Once the Secured Lender or such other Person goes out of possession or control of the Supplier's Interest or transfers the Supplier's Interest in accordance with this Agreement to another Person, the Secured Lender shall cease to be liable for any of the Supplier's obligations and shall cease to be entitled to any of the Supplier's rights and benefits contained in this Agreement, except, if the Secured Lender's Security Agreement remains outstanding, by way of security.
- (f) Despite anything else contained in this Agreement, the Secured Lender shall not transfer, sell or dispose of the Supplier's Interest or any other interest in the Facility or shares or partnership interests in the capital of the Supplier (or that of its general partner(s) in the case of a Supplier that is a partnership) to any Person unless such transferee takes the Supplier Interest or other applicable interest subject to the Supplier's obligations pursuant to this Agreement. No transfer shall be effective unless the Buyer:
 - (i) acting reasonably, if such transferee is at Arm's Length with the Secured Lender; or
 - (ii) acting in its sole and subjective discretion, if such transferee is not at Arm's Length with the Secured Lender,

has approved of the transferee and the transferee has entered into an agreement with the Buyer in form and substance satisfactory to the Buyer, acting reasonably, wherein the transferee agrees to assume and to perform the obligations of the Supplier in respect of the Supplier's Interest, whether arising before or after the transfer, and including the posting of the Completion and Performance Security required under Article 6.

- (g) In the event of the termination of this Agreement prior to the end of the Term due to a Supplier Event of Default, the Buyer shall, within twenty (20) Business Days after the date of such termination, deliver to each Secured Lender which is at Arm's Length with the Supplier a statement of all sums then known to the Buyer that would at that time be due under this Agreement but for the termination and a notice

to each such Secured Lender stating that the Buyer is willing to enter into a New Agreement (the “**Buyer Statement**”). Subject to the provisions of this Article 12, each such Secured Lender or its transferee approved by the Buyer pursuant to Section 12.2(f) hereof shall thereupon have the option to obtain from the Buyer a New Agreement in accordance with the following terms:

- (i) Upon receipt of the written request of the Secured Lender within thirty (30) days after the date on which it received the Buyer Statement, the Buyer shall enter into a New Agreement.
- (ii) Such New Agreement shall be effective as of the Termination Date and shall be for the remainder of the Term at the time this Agreement was terminated and otherwise upon the terms contained in this Agreement. The Buyer’s obligation to enter into a New Agreement is conditional upon the Secured Lender (A) paying all sums that would, at the time of the execution and delivery thereof, be due under this Agreement but for such termination, (B) otherwise fully curing any defaults under this Agreement existing immediately prior to termination of this Agreement that are capable of being cured, and (C) paying all reasonable costs and expenses, including legal fees, so as to provide a full indemnity (and not only substantial indemnity), incurred by the Buyer in connection with such default and termination, and the preparation, execution and delivery of such New Agreement and related agreements and documents, provided, however, that with respect to any default that could not be cured by such Secured Lender until it obtains possession, such Secured Lender or its transferee approved by the Buyer pursuant to Section 12.2(f) hereof, as the case may be, shall have the applicable cure period commencing on the date that it obtains possession to cure such default.

When the Secured Lender has appointed an agent, a receiver or a receiver and manager or has obtained a court-appointed receiver or receiver and manager for the purpose of enforcing the Secured Lender’s security, that Person may exercise any of the Secured Lender’s rights under this Section 12.2(g).

- (h) Despite anything to the contrary contained in this Agreement, the provisions of this Article 12 shall enure only to the benefit of the holders of a Secured Lender’s Security Agreement. If the holders of more than one such Secured Lender’s Security Agreement who are at Arm’s Length with the Supplier make written requests to the Buyer in accordance with this Section 12.2 to obtain a New Agreement, the Buyer shall accept the request of the holder whose Secured Lender’s Security Agreement had priority pursuant to Laws and Regulations immediately prior to the termination of this Agreement over the Secured Lender’s Security Agreements of the other Secured Lenders making such requests and thereupon the written request of each other Secured Lender shall be deemed to be void. In the event of any dispute or disagreement as to the respective priorities of any such Secured Lender’s Security Agreement, the Buyer may rely upon the opinion as to such priorities of any law firm qualified to practice law in the Province of Ontario retained by the Buyer in its unqualified subjective discretion or may

apply to a court of competent jurisdiction for a declaration as to such priorities, which opinion or declaration shall be conclusively binding upon all parties concerned.

12.3 Cooperation

The Buyer and the Supplier shall enter into an agreement with any Secured Lender substantially in the form set out in Exhibit G for the purpose of implementing the Secured Lender's Security Agreement protection provisions contained in this Agreement. The Buyer, acting reasonably, shall consider any request jointly made by the Supplier and a Secured Lender or proposed Secured Lender to facilitate a provision of a Secured Lender's Security Agreement or proposed Secured Lender's Security Agreement that may require an amendment to this Agreement, provided that the rights of the Buyer are not adversely affected thereby, the obligations of the Supplier to the Buyer are not altered thereby and the consent of any other Secured Lender to such amendment has been obtained by the Supplier or the Secured Lender making the request for the amendment.

ARTICLE 13 DISCRIMINATORY ACTION

13.1 Discriminatory Action

A “**Discriminatory Action**” shall occur if:

- (a) the Legislative Assembly of Ontario:
 - (i) causes to come into force any statute that was introduced as a bill in the Legislative Assembly of Ontario or the Government of Ontario causes to come into force or makes any order-in-council or regulation first having legal effect on or after the Contract Date; or
 - (ii) directly or indirectly amends this Agreement without the agreement of the Supplier;
- (b) the effect of the action referred to in Section 13.1(a):
 - (i) is borne principally by the Supplier; or
 - (ii) is borne principally by the Supplier and one or more Other Suppliers; and
- (c) the action referred to in Section 13.1(a) directly reduces or precludes payments otherwise due to the Supplier hereunder or has the effect of increasing the costs that the Supplier would reasonably be expected to incur in respect of the development, construction, operation and maintenance of the Facility hereunder, including costs related to satisfy the Minimum Performance Factor, except where such action is in response to any act or omission on the part of the Supplier that is contrary to Laws and Regulations (other than an act or omission rendered illegal by virtue of such action) or such action is permitted under this Agreement. Despite the preceding sentence, none of the following shall be a Discriminatory Action:

- (i) Laws and Regulations of general application, including an increase of Taxes of general application, or any action of the Government of Ontario pursuant thereto;
- (ii) any such statute that prior to five (5) Business Days prior to the Contract Date:
 - (A) has been introduced as a bill in the Legislative Assembly of Ontario in a similar form as such statute takes when it has legal effect, provided that any amendments made to such bill in becoming such statute do not have a Material Adverse Effect on the Supplier; or
 - (B) has been made public in a discussion or consultation paper, press release or announcement issued by the Buyer, the Government of Ontario, and/or the Ministry of Energy that appeared on the Buyer's Website or the website of the Government of Ontario and/or the Ministry of Energy, provided that any amendments made to such public form, in becoming such statute, do not have a Material Adverse Effect on the Supplier; and
- (iii) any of such regulations that prior to five (5) Business Days prior to the Contract Date:
 - (A) have been published in the Ontario Gazette but by the terms of such regulations come into force on or after five (5) Business Days prior to the Contract Date, or
 - (B) have been referred to in a press release issued by the Buyer, the Government of Ontario and/or the Ministry of Energy that appeared on the website of the Government of Ontario or the Ministry of Energy, provided that any amendments made to such regulations in coming into force do not have a Material Adverse Effect on the Supplier.

13.2 Consequences of Discriminatory Action

If a Discriminatory Action occurs, the Supplier shall have the right to obtain, without duplication, compensation (the “**Discriminatory Action Compensation**”) from the Buyer for the amount of the payments otherwise due to the Supplier hereunder that are reduced or precluded as a result of the Discriminatory Action or the increase in the costs that the Supplier would reasonably be expected to incur to satisfy the Minimum Performance Factor as a result of the occurrence of such Discriminatory Action, commencing on the first day of the first calendar month following the date of the Discriminatory Action and ending at the expiry of the Term, but excluding the portion of any costs charged by a Person who does not deal at Arm’s Length with the Supplier that is in excess of the costs that would have been charged had such Person been at Arm’s Length with the Supplier.

13.3 Notice of Discriminatory Action

- (a) In order to exercise its rights in the event of the occurrence of a Discriminatory Action, the Supplier must give a notice (the “**Preliminary Notice**”) to the Buyer within sixty (60) days after the date on which the Supplier first became aware (or should have been aware, using reasonable due diligence) of the Discriminatory Action stating that a Discriminatory Action has occurred. Within sixty (60) days after the date of receipt of the Preliminary Notice, the Supplier must give another notice (the “**Notice of Discriminatory Action**”). A Notice of Discriminatory Action must include:
 - (i) a statement of the Discriminatory Action that has occurred;
 - (ii) details of the effect of the said occurrence that is borne by the Supplier;
 - (iii) details of the manner in which the Discriminatory Action increases the costs that the Supplier would reasonably be expected to incur under this Agreement; and
 - (iv) the amount claimed as Discriminatory Action Compensation and details of the computation thereof.

The Buyer shall, after receipt of a Notice of Discriminatory Action, be entitled, by notice given within thirty (30) days after the date of receipt of the Notice of Discriminatory Action, to require the Supplier to provide such further supporting particulars as the Buyer considers necessary, acting reasonably.

- (b) If the Buyer wishes to dispute the occurrence of a Discriminatory Action, the Buyer shall give a notice of dispute (the “**Notice of Dispute**”) to the Supplier, stating the grounds for such dispute, within thirty (30) days after the date of receipt of the Notice of Discriminatory Action or within thirty (30) days after the date of receipt of the further supporting particulars, as applicable.
- (c) If neither the Notice of Discriminatory Action nor the Notice of Dispute has been withdrawn within thirty (30) days after the date of receipt of the Notice of Dispute by the Supplier, the dispute of the occurrence of a Discriminatory Action shall be submitted to mandatory and binding arbitration in accordance with Section 16.2 without first having to comply with Section 16.1.
- (d) If the Buyer does not dispute the occurrence of a Discriminatory Action or the amount of Discriminatory Action Compensation claimed in the Notice of Discriminatory Action, the Buyer shall pay to the Supplier the amount of Discriminatory Action Compensation claimed within sixty (60) days after the date of receipt of the Notice of Discriminatory Action. If a Notice of Dispute has been given, the Buyer shall pay to the Supplier the Discriminatory Action Compensation Amount determined in accordance with Section 13.3(e) not later than sixty (60) days after the later of the date on which the dispute with respect to the occurrence

of a Discriminatory Action is resolved and the date on which the Discriminatory Action Compensation Amount is determined.

(e) Discriminatory Action Compensation Notice

- (i) If the Buyer wishes to dispute the amount of the Discriminatory Action Compensation, the Buyer shall give to the Supplier a notice (the **“Discriminatory Action Compensation Notice”**) setting out an amount that the Buyer proposes as the Discriminatory Action Compensation (the **“Discriminatory Action Compensation Amount”**), if any, together with details of the computation. If the Supplier does not give notice (the **“Supplier Non-acceptance Notice”**) to the Buyer stating that it does not accept the Discriminatory Action Compensation Amount proposed within thirty (30) days after the date of receipt of the Discriminatory Action Compensation Notice, the Supplier shall be deemed to have accepted the Discriminatory Action Compensation Amount so proposed. If the Supplier Non-acceptance Notice is given, the Buyer and the Supplier shall attempt to determine the Discriminatory Action Compensation Amount through negotiation, and any amount so agreed in writing shall be the Discriminatory Action Compensation Amount. If the Buyer and the Supplier do not agree in writing upon the Discriminatory Action Compensation Amount within sixty (60) days after the date of receipt of the Supplier Non-acceptance Notice, the Discriminatory Action Compensation Amount shall be determined in accordance with the procedure set forth in Section 13.3(e)(ii) and Sections 16.1 and 16.2 shall not apply to such determination.
- (ii) If the negotiation described in Section 13.3(e)(i) does not result in an agreement in writing on the Discriminatory Action Compensation Amount, either the Buyer or the Supplier may, after the later of (A) the date on which a dispute with respect to the occurrence of a Discriminatory Action is resolved and (B) the date of the expiry of a period of thirty (30) days after the date of receipt of the Supplier Non-acceptance Notice, by notice to the other require the dispute to be resolved by arbitration as set out below. The Buyer and the Supplier shall, within thirty (30) days after the date of receipt of such notice of arbitration, jointly appoint a valuator to determine the Discriminatory Action Compensation Amount. The valuator so appointed shall be a duly qualified business valuator where the individual responsible for the valuation has not less than ten (10) years' experience in the field of business valuation. If the Buyer and the Supplier are unable to agree upon a valuator within such period, the Buyer and the Supplier shall jointly make application (provided that if a Party does not participate in such application, the other Party may make application alone) under the *Arbitration Act, 1991* (Ontario), as amended from time to time, to a judge of the Superior Court of Justice to appoint a valuator, and the provisions of the *Arbitration Act, 1991* (Ontario), as amended from time to time, shall govern such appointment. The valuator shall determine the Discriminatory Action

Compensation Amount within sixty (60) Business Days after the date of his or her appointment. Pending a decision by the valuator, the Buyer and the Supplier shall share equally, and be responsible for their respective shares of, all fees and expenses of the valuator. The fees and expenses of the valuator shall be paid by the non-prevailing party. “Prevailing Party” means the Party whose determination of the Discriminatory Action Compensation Amount is most nearly equal to that of the valuator’s determination. The Supplier’s and the Buyer’s respective determinations of the Discriminatory Action Compensation Amount shall be based upon the Notice of Discriminatory Action and the Discriminatory Action Compensation Notice, as applicable.

- (iii) In order to facilitate the determination of the Discriminatory Action Compensation Amount by the valuator, each of the Buyer and the Supplier shall provide to the valuator such information as may be requested by the valuator, acting reasonably, and the Supplier shall permit the valuator and the valuator’s representatives to have reasonable access during normal business hours to such information and to take extracts therefrom and to make copies thereof.
- (iv) The Discriminatory Action Compensation Amount as determined by the valuator shall be final and conclusive and not subject to any appeal.
- (f) Any amount to be paid under Section 13.3(d) shall bear interest at a variable nominal rate per annum equal on each day to the Interest Rate then in effect from the date of receipt of the Notice of Discriminatory Action to the date of payment.
- (g) Payment of the Discriminatory Action Compensation and interest thereon by the Buyer to the Supplier shall constitute full and final satisfaction of all amounts that may be claimed by the Supplier for and in respect of the occurrence of the Discriminatory Action and, upon such payment, the Buyer shall be released and forever discharged by the Supplier from any and all liability in respect of such Discriminatory Action.

13.4 Right of the Buyer to Remedy or Cause to be Remedied a Discriminatory Action

If the Buyer wishes to remedy or cause to be remedied the occurrence of a Discriminatory Action, the Buyer must give notice to the Supplier within thirty (30) days after the later of the date of receipt of the Notice of Discriminatory Action and the date of the receipt by the Buyer of the further supporting particulars referred to in Section 13.3(a). If the Buyer gives such notice, the Buyer must remedy or cause to be remedied the Discriminatory Action within one hundred and eighty (180) days after the date of receipt of the Notice of Discriminatory Action or, if a Notice of Dispute has been given, within one hundred and eighty (180) days after the date of the final award pursuant to Section 16.2 to the effect that a Discriminatory Action occurred. If the Buyer remedies or causes to be remedied the Discriminatory Action in accordance with the preceding sentence, the Supplier shall have the right to obtain, without duplication, the amount that the Supplier would have the right to claim in respect of that Discriminatory Action pursuant to Section 13.2, adjusted to apply only to the period commencing on the first day of the first calendar month following the

date of the Discriminatory Action and expiring on the day preceding the day on which the Discriminatory Action was remedied.

ARTICLE 14

LIABILITY AND INDEMNIFICATION

14.1 Exclusion of Consequential Damages

Notwithstanding anything contained herein to the contrary, neither Party will be liable under this Agreement or under any cause of action relating to the subject matter of this Agreement for any special, indirect, incidental, punitive, exemplary or consequential damages, including loss of profits, loss of use of any property or claims of customers or contractors of the Parties for any such damages.

14.2 Liquidated Damages

Nothing in this Article shall reduce a Party's claim for liquidated damages pursuant to Sections 2.3(c), 3.1, or 6.2(b)(iii). The Supplier acknowledges and agrees with the Buyer that the actual damages incurred by the Buyer and Electricity consumers as a result of a failure by the Supplier to meet its obligations under this Agreement are impossible to definitively quantify and the Supplier further agrees that the payment of the liquidated damages set forth in this Agreement constitutes a fair and reasonable means of compensating the Buyer for damages likely to be incurred as a result of such delays and does not constitute a penalty.

14.3 Buyer Indemnification

In addition to the indemnity provided by the Supplier in Section 2.1(c), the Supplier shall indemnify, defend and hold the Buyer, the System Operator, the Government of Ontario, the members of the Government of Ontario's Executive Council, and their respective Affiliates, and each of the foregoing Persons' respective directors, officers, employees, shareholders, advisors, and agents (including contractors and their employees) (collectively, the "**Indemnitees**") harmless from and against any and all claims, demands, suits, losses, damages, liabilities, penalties, obligations, payments, costs and expenses and accrued interest thereon (including the costs and expenses of, and accrued interest on, any and all actions, suits, proceedings for personal injury (including death) or property damage, assessments, judgments, settlements and compromises relating thereto and reasonable lawyers' fees and reasonable disbursements in connection therewith) (each, an "**Indemnifiable Loss**"), asserted against or suffered by the Indemnitees relating to, in connection with, resulting from, or arising out of:

- (a) any occurrence or event relating to the Facility, except to the extent that any injury or damage is attributable to the negligence or wilful misconduct of the Indemnitees or the failure of the Indemnitees to comply with Laws and Regulations; or
- (b) any breach by the Supplier of any representations, warranties, and covenants contained in this Agreement, except to the extent that any injury or damage is attributable to the negligence or wilful misconduct of the Indemnitees.

For greater certainty, in the event of contributory negligence or other fault of the Indemnitees, then such Indemnitees shall not be indemnified hereunder in the proportion that the Indemnitees' negligence or other fault contributed to any Indemnifiable Loss.

14.4 Defence of Claims

- (a) Promptly after receipt by the Indemnitees of any Claim or notice of the commencement of any action, administrative or legal proceeding, or investigation as to which the indemnity provided for in Section 14.3 may apply, the Buyer shall notify the Supplier in writing of such fact. The Supplier shall assume the defence thereof with counsel designated by the Supplier and satisfactory to the affected Indemnitees, acting reasonably; provided, however, that if the defendants in any such action include both the Indemnitees and the Supplier and the Indemnitees shall have reasonably concluded that there may be legal defences available to them which are different from or additional to, or inconsistent with, those available to the Supplier, the Indemnitees shall have the right to select separate counsel satisfactory to the Supplier acting reasonably (at no additional cost to the Indemnitees) to participate in the defence of such action on behalf of the Indemnitees. The Supplier shall promptly confirm that it is assuming the defence of the Indemnitees by providing written notice to the Indemnitees. Such notice shall be provided no later than five (5) days prior to the deadline for responding to any Claim relating to any Indemnifiable Loss.
- (b) Should any of the Indemnitees be entitled to indemnification under Section 14.3 as a result of a Claim by a third party, and the Supplier fails to assume the defence of such Claim (which failure shall be assumed if the Supplier fails to provide the notice prescribed by Section 14.4(a)), the Indemnitees shall, at the expense of the Supplier, contest (or, with the prior written consent of the Supplier, settle) such Claim, provided that no such contest need be made and settlement or full payment of any such Claim may be made without consent of the Supplier (with the Supplier remaining obligated to indemnify the Indemnitees under Section 14.3), if, in the written opinion of an independent third party counsel chosen by the Company Representatives, such Claim is meritorious. If the Supplier is obligated to indemnify any Indemnitees under Section 14.3, the amount owing to the Indemnitees will be the amount of such Indemnitees' actual out-of-pocket loss net of any insurance proceeds received or other recovery.

ARTICLE 15 CONTRACT OPERATION AND ADMINISTRATION

15.1 Company Representative

The Supplier shall, by notice in the form of Exhibit D, appoint from time to time, a representative (a "**Company Representative**"), who shall be duly authorized to act on behalf of the Supplier, and with whom the Buyer may consult at all reasonable times, and whose instructions, requests, and decisions, provided the same are in writing signed by the respective Company Representative, shall be binding on the Supplier as to all matters pertaining to this Agreement. The Company Representative shall not have the power or authority to amend this Agreement.

15.2 Record Retention; Audit Rights and Obligations

- (a) The Supplier and the Buyer shall both keep complete and accurate records and all other data required by either of them for the purpose of proper administration of this Agreement and related to the Facility in Ontario, Canada. All such records shall be maintained as required by Laws and Regulations but for no less than for seven (7) years after the creation of the record or data.
- (b) The Supplier and the Buyer, on a confidential basis as provided for in Article 8 of this Agreement, shall provide reasonable access to the relevant and appropriate financial and operating records and data kept by it relating to this Agreement reasonably required for the other Party to comply with its obligations to Governmental Authorities or to verify or audit billings or to verify or audit information provided in accordance with this Agreement. A Party may use its own employees for purposes of any such review of records provided that those employees are bound by the confidentiality requirements provided for in Article 8. Alternatively, a Party may at its own expense appoint an auditor to conduct its audit. The Party seeking access to such records in this manner shall pay the fees and expenses associated with use of the third party auditor.

15.3 Reports to the Buyer

- (a) The Supplier shall deliver to the Buyer a copy of all reports, plans and notices that the Supplier is required to provide under the IESO Market Rules with respect to Outages, at the same time or within one (1) Business Day after such reports, plans and notices are delivered by the Supplier under the IESO Market Rules.
- (b) In addition to the documentation provided in Section 15.3(a):
 - (i) the Supplier shall, no later than thirty (30) days following any written request therefor from the Buyer, provide to the Buyer an annual operating plan for the Facility for the forthcoming or succeeding Contract Year, in the form set out in Exhibit L (the “**Annual Operating Plan**”). The Annual Operating Plan shall include a schedule of Planned Outages for that twelve (12) month period (together with the Supplier’s estimate of the expected duration of each Planned Outage) which shall be consistent with Good Engineering and Operating Practices and, to the extent the Supplier is required to do so by the IESO Market Rules, coordinated with and approved by the System Operator. The Supplier may, on not less than ten (10) Business Days’ prior notice to the Buyer, amend the Annual Operating Plan and its schedule of Planned Outages, provided that where the System Operator directs the Supplier to amend its schedule of Planned Outages on less than ten (10) Business Days’ prior notice, the Supplier shall make the corresponding amendments to its Annual Operating Plan and shall provide the Buyer with notice of such amendment within two (2) Business Days of receipt of any such direction from the System Operator; and

- (ii) the Supplier shall provide prompt notice to the Buyer, and in any case within ten (10) Business Days, of any (A) Outage, (B) Planned Outage (in accordance with the Annual Operating Plan), or (C) anticipated Outage other than a Planned Outage, in each case utilizing the form attached as Exhibit N (including any Grid-Based Unavailability), followed thereafter by a subsequent notice, to be delivered as soon as reasonably practicable, which subsequent notice shall include a statement of the cause of such Outage, the proposed corrective action and the Supplier's estimate of the expected duration of such Outage. The Supplier shall use Commercially Reasonable Efforts to promptly end or reduce the length of such Outage.
- (c) All Outages shall take place in accordance with the notices of Outages provided by the Supplier to the Buyer under this Section 15.3, provided that where the System Operator directs the Supplier to amend its schedule of Planned Outages on less than ten (10) Business Days' prior notice, the Supplier shall follow such direction and provide notice of any changes to the Buyer within two (2) Business Days of receipt of such direction from the System Operator.

15.4 Inspection of Facility

- (a) The Buyer's representatives shall, at all times upon two (2) Business Days' prior notice, at any time after the Contract Date, have access to the Facility and every part thereof during regular business hours and the Supplier shall, and shall cause all personnel operating and managing the Facility, to furnish the Buyer with all reasonable assistance in inspecting the Facility for the purpose of ascertaining compliance with this Agreement; provided that such access and assistance shall be carried out in accordance with and subject to the reasonable safety and security requirements of the Supplier and all personnel operating and managing the Facility, as applicable, and shall not interfere with the operation of the Facility.
- (b) The inspection of the Facility by or on behalf of the Buyer shall not relieve the Supplier of any of its obligations to comply with the terms of this Agreement. No Supplier Event of Default will be waived or deemed to have been waived by any inspection by or on behalf of the Buyer. In no event will any inspection by the Buyer hereunder be a representation that there has been or will be compliance with this Agreement and Laws and Regulations.

15.5 Inspection Not Waiver

- (a) Failure by the Buyer to inspect the Facility or any part thereof under Section 15.4, or to exercise its audit rights under Section 15.2, shall not constitute a waiver of any of the rights of the Buyer hereunder. An inspection or audit not followed by a notice of a Supplier Event of Default shall not constitute or be deemed to constitute a waiver of any Supplier Event of Default, nor shall it constitute or be deemed to constitute an acknowledgement that there has been or will be compliance by the Supplier with this Agreement.

- (b) Failure by the Supplier to exercise its audit rights under Section 15.2 shall not constitute or be deemed to constitute a waiver of any of the rights of the Supplier hereunder. An audit not followed by a notice of a Buyer Event of Default shall not constitute or be deemed to constitute a waiver of any Buyer Event of Default, nor shall it constitute or be deemed to constitute an acknowledgement that there has been or will be compliance by the Buyer with this Agreement.

15.6 Notices

No Notice to the Buyer shall be deemed delivered unless the addressee of such notice is identified in such notice as “Contract Management”. No notice from the Buyer shall be binding on the Buyer pursuant to this Agreement unless the sender of such notice is identified in such notice as “Contract Management”.

ARTICLE 16 MISCELLANEOUS

16.1 Informal Dispute Resolution

If either Party considers that a dispute has arisen under or in connection with this Agreement that the Parties cannot resolve, then such Party may deliver a notice to the other Party describing the nature and the particulars of such dispute. Within ten (10) Business Days following delivery of such notice to the other Party, a senior executive (Vice-President or higher) from each Party shall meet, either in person or by telephone (the “**Senior Conference**”), to attempt to resolve the dispute. The Parties shall use Commercially Reasonable Efforts to cause their respective senior executives attending a Senior Conference to be informed with all relevant background information in respect of the dispute and to be prepared to propose a resolution to the dispute. If, following the Senior Conference, the dispute is not resolved, the dispute may be settled by arbitration pursuant to Section 16.2, if agreed to by both Parties.

16.2 Arbitration

- (a) Except as otherwise specifically provided for in this Agreement, any matter in issue between the Parties as to their rights under this Agreement may be decided by arbitration provided, however, that the Parties have first completed a Senior Conference pursuant to Section 16.1.
- (b) Any dispute to be decided by arbitration will be decided by a single arbitrator appointed by the Parties or, if such Parties fail to appoint an arbitrator within fifteen (15) days following the agreement to refer the dispute to arbitration, upon the application of either of the Parties, the arbitrator shall be appointed by a Judge of the Superior Court of Justice (Ontario) sitting in the Judicial District of Toronto Region. The arbitrator shall not have any current or past business or financial relationships with any Party (except prior arbitration). The arbitrator shall provide each of the Parties an opportunity to be heard and shall conduct the arbitration hearing in accordance with the provisions of the *Arbitration Act, 1991* (Ontario), as amended from time to time.
- (c) Unless otherwise agreed by the Parties, the arbitrator shall render a decision within ninety (90) days after the end of the arbitration hearing and shall notify the Parties in writing of such decision and the reasons therefor. The arbitrator shall be authorized only to interpret and apply the provisions of this Agreement and shall have no power to modify or change this Agreement in any manner. The decision of the arbitrator shall be conclusive, final and binding upon the Parties. The decision of the arbitrator may be appealed solely on the grounds that the conduct of the arbitrator, or the decision itself, violated the provisions of the *Arbitration Act, 1991* (Ontario), as amended from time to time, or solely on a question of law as provided for in the *Arbitration Act, 1991* (Ontario), as amended from time to time. The *Arbitration Act, 1991* (Ontario), as amended from time to time, shall govern the procedures to apply in the enforcement of any award made. If it is necessary to enforce such award, all costs of enforcement shall be payable and paid by the Party against whom such award is enforced. Unless otherwise provided in the arbitral

award to the contrary, each Party shall bear (and be solely responsible for) its own costs incurred during the arbitration process, and each Party shall bear (and be solely responsible for) its equal share of the costs of the arbitrator. Each Party shall be otherwise responsible for its own costs incurred during the arbitration process.

16.3 Business Relationship

Each Party shall be solely liable for the payment of all wages, taxes, and other costs related to the employment by such Party of Persons who perform this Agreement, including all federal, provincial, and local income, social insurance, health, payroll and employment taxes and statutorily-mandated workers' compensation coverage. None of the Persons employed by either Party shall be considered employees of the other Party for any purpose. Nothing in this Agreement shall create or be deemed to create a relationship of partners, joint venturers, fiduciary, principal and agent or any other relationship between the Parties.

16.4 Binding Agreement

Except as otherwise set out in this Agreement, this Agreement shall not confer upon any other Person, except the Parties and their respective successors and permitted assigns, any rights, interests, obligations or remedies under this Agreement. This Agreement and all of the provisions of this Agreement shall be binding upon and shall enure to the benefit of the Parties and their respective successors and permitted assigns.

16.5 Assignment

- (a) Except as set out below and as provided in Article 12, neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned by either Party, including by operation of Laws and Regulations, without the prior written consent of the other Party, which consent shall not be unreasonably withheld.
- (b) The Supplier may, subject to compliance with Laws and Regulations and provided that there is not a Supplier Event of Default that has not been remedied, assign this Agreement to an Affiliate acquiring the Facility upon such Affiliate agreeing in writing with the Buyer, in such form as is reasonably requested by the Buyer to assume all of the Supplier's obligations and be bound by the terms of this Agreement, and provided that the arrangements and obligations of the Supplier set forth in Article 6 have been met in accordance with the terms of Article 6. If a valid assignment of this Agreement is made by the Supplier in accordance with this Section 16.5, the Buyer acknowledges and agrees that, upon such assignment and assumption and notice thereof by the assignor to the Buyer, the assignor shall be relieved of all its duties, obligations and liabilities hereunder.
- (c) If the Supplier assigns this Agreement to a non-resident of Canada (the "**Assignee**"), as that term is defined in the ITA, and the Buyer incurs any additional Taxes, at any time thereafter, solely as the result of such assignment, then payments under this Agreement by the Buyer shall be reduced by the amount of such additional or withholding Taxes and the Buyer shall remit such additional or

withholding Taxes to the applicable taxing authorities. The Buyer shall within sixty (60) days after remitting such Taxes, notify the Assignee in writing, providing reasonable detail of such payment so that the Assignee may claim any applicable rebates, refunds or credits from the applicable taxing authorities. If after the Buyer has paid such amounts, the Buyer receives a refund, rebate or credit on account of such Taxes, then the Buyer shall promptly remit such refund, rebate or credit amount to the Assignee.

- (d) The Buyer shall have the right to assign this Agreement and all benefits and obligations hereunder for the balance of the Term without the consent of the Supplier to an assignee with a Credit Rating equal to or higher than that of the Buyer at the time of the assignment, which such assignee shall assume the obligations and liability of the Buyer under this Agreement and be novated into this Agreement in the place and stead of the Buyer (except for the Buyer's obligation in Section 16.5(d)(iii) which will remain in force as against the Buyer), provided that the assignee agrees in writing to assume and be bound by the terms and conditions of this Agreement, and further agrees to provide the Secured Lender with a written acknowledgement of the Secured Lender's rights in relation to this Agreement in the form prescribed by the Buyer, whereupon:
 - (i) the representation set forth in Section 7.2(a) shall apply to the assignee with all necessary amendments to reflect the form and the manner in which the assignee was established;
 - (ii) all of the other representations set forth in Section 7.2 shall be deemed to be made by the assignee to the Supplier at the time of such assignment and assumption; and
 - (iii) the Buyer shall be relieved of all obligations and liability arising pursuant to this Agreement; notwithstanding the foregoing, the Buyer shall remain liable to the Supplier for remedying any payment defaults under Section 10.3(a) before any such payment default becomes a Buyer Event of Default, and shall remain liable for any obligations and liabilities of the assignee arising from any Buyer Event of Default. Any notice required to be given under Sections 10.3 and 10.4(a) shall be given to the assignee and to the Buyer. The time periods in Section 10.3 shall not begin to run until both the assignee and the Buyer have been so notified.
- (e) The Buyer shall have the right to assign this Agreement and all benefits and obligations hereunder from time to time throughout the Term for a period less than the balance of the Term (the "**Assignment Period**") without the consent of the Supplier to an assignee with a Credit Rating no lower than that of the Buyer at the time of the assignment, which such assignee shall assume the obligations of the Buyer under this Agreement and be novated into this Agreement in the place and stead of the Buyer (except for the Buyer's obligation in Section 16.5(d)(iii) which will remain in force as against the Buyer), provided that the assignee agrees in writing to assume and be bound by the terms and conditions of this Agreement, and further agrees to provide the Secured Lender with a written acknowledgement of

the Secured Lender's rights in relation to this Agreement in the form prescribed by the Buyer, whereupon:

- (i) the representation set forth in Section 7.2(a) shall apply to the assignee with all necessary amendments to reflect the form and the manner in which the assignee was established;
- (ii) all of the other representations set forth in Section 7.2 shall be deemed to be made by the assignee to the Supplier at the time of such assignment and assumption;
- (iii) the Buyer shall be relieved of all obligations and liability arising pursuant to this Agreement; notwithstanding the foregoing, the Buyer shall remain liable to the Supplier for remedying any payment defaults under Section 10.3(a) before any such payment default becomes a Buyer Event of Default, and shall remain liable to the Supplier for any obligations and liabilities of the assignee arising from any Buyer Event of Default. Any notice required to be given under Sections 10.3 and 10.4(a) shall be given to the assignee and to the Buyer. The time periods in Section 10.3 shall not begin to run until both the assignee and the Buyer have been so notified; and
- (iv) upon the expiry of the Assignment Period:
 - (A) this Agreement, without requiring the execution of any assignment, consent or other documentation of any nature, shall automatically revert and be assigned back to the Buyer;
 - (B) the assignee shall remain responsible to the Supplier for all obligations and liabilities incurred or accrued by the assignee during the Assignment Period; and
 - (C) the Independent Electricity System Operator, as Buyer pursuant to the automatic assignment back to it, shall be deemed to be in good standing under this Agreement, provided that such good standing shall not relieve the Independent Electricity System Operator from any obligation to the Supplier pursuant to Section 16.5(e)(iii) that arose prior to the expiry of the Assignment Period.

16.6 Survival

The provisions of Sections 2.1(c), 2.2, 4.2, 4.4, Article 5, Section 6.2(b)(iii), Article 8, Sections 10.2, 10.4, 10.5, and 12.2(g), Article 14, Sections 15.2, 16.1, 16.2, and 16.5(c) shall survive the expiration of the Term or earlier termination of this Agreement. The expiration of the Term or a termination of this Agreement shall not affect or prejudice any rights or obligations that have accrued or arisen under this Agreement prior to the time of expiration or termination and such rights and obligations shall survive the expiration of the Term or the termination of this Agreement for a period of time equal to the applicable statute of limitations.

16.7 Counterparts

This Agreement may be executed in two or more counterparts, and all such counterparts shall together constitute one and the same Agreement. It shall not be necessary in making proof of the contents of this Agreement to produce or account for more than one such counterpart. This Agreement may be executed by printing, signing and scanning, or by electronic signature in a format approved by the Buyer. Delivery by electronic mail or similar electronic transmission of an executed signature page to this Agreement shall be as effective as delivery of a manually executed copy of this Agreement by such Party.

16.8 Additional Rights of Set-Off

In addition to the other rights of set-off under this Agreement or otherwise arising in law or equity, either Party may set off any amounts owing to such Party under this Agreement against any amounts owed to the other Party under this Agreement.

16.9 Rights and Remedies Not Limited to Contract

Unless expressly provided in this Agreement, the express rights and remedies of the Buyer or the Supplier set out in this Agreement are in addition to and shall not limit any other rights and remedies available to the Buyer or the Supplier, respectively, at law or in equity.

16.10 Time of Essence

Time is of the essence in the performance of the Parties' respective obligations under this Agreement.

16.11 Further Assurances

Each of the Parties shall, from time to time on written request of the other Party, do all such further acts and execute and deliver or cause to be done, executed or delivered all such further acts, deeds, documents, assurances and things as may be required, acting reasonably, in order to fully perform and to more effectively implement and carry out the terms of this Agreement. Without limiting the generality of the foregoing, upon request of the Buyer, the Supplier shall enroll in or utilize an internet-based or software program utilized by the Buyer for the administration of this Agreement, and shall communicate with the Buyer through such website or software program for purposes of administering this Agreement, as requested by the Buyer. The Parties agree to promptly execute and deliver any documentation required by any Governmental Authority in connection with any termination of this Agreement.

[*INTENTIONALLY DELETED*]

EXHIBIT F NON-PERFORMANCE CHARGES

This Exhibit F sets out the calculation of the “**Non-Performance Charge**” (or “**NPC**”) in respect of the Facility which will be calculated and, if applicable, charged on an annual basis during the Term and included in the Monthly Payment corresponding to the first Settlement Month of a Contract Year starting after the end of the first Contract Year. In all Settlement Months after the first Settlement Month of a Contract Year, NPC shall be zero. Except as expressly set forth below, all references to Sections are to Sections of the Agreement.

1. Calculation of the Actual Performance Factor

Commencing after the end of the first Contract Year, the Facility’s “**Actual Performance Factor**” (or “**APF**”) for any completed Contract Year “y” will be calculated as follows:

$APF_y = TDE_y / [CC \times (TH_y - EH_y)]$	
where:	
TDE_y	is the total Delivered Electricity measured over the Contract Year.
CC	is the Contract Capacity.
TH_y	is the total number of hours in the Contract Year.
EH_y	is the total number of “ Excluded Hours ” in each Settlement Month measured over the Contract Year, being the total of all hours (or partial hours) in such period, without duplication, that are (i) Force Majeure Outage Hours, (ii) Grid-Based Unavailability Hours; or (iii) hours where the average ADALMP for all Dispatch Intervals in such hour are negative.
Grid-Based Unavailability Hours	is the total number of hours (or partial hours) that are the subject of Grid-Based Unavailability.

2. Calculation of Performance Factor Shortfall and Non-Performance Charge

The “**Performance Factor Shortfall**” (or “**PFS**”) for any completed Contract Year “y” will be calculated as follows:

$PFS_y = (1 - APF_y / IPF_{AA})$
where:

APF _y	is the Actual Performance Factor measured over the period of the Contract Year.
IPF _{AA}	is the Annual Average Imputed Production Factor set out in Exhibit B expressed as a decimal, to three (3) decimal places (by dividing such percentage by 100).

Where the Performance Factor Shortfall for any completed Contract Year “y” is less than or equal to 0.20, the Non-Performance Charge for such completed Contract Year “y” shall be \$0. Where the Performance Factor Shortfall for any completed Contract Year “y” is greater than 0.35 it shall constitute a Supplier Event of Default. Where the Performance Factor Shortfall for any completed Contract Year “y” is greater than 0.20 the Non-Performance Charge for such completed Contract Year “y” shall be calculated as follows:

NPC_y = FP_y x [PFS – 0.2] x CC x TH_y x IPF_{AA}	
where:	
FP _y	is the Fixed Price set out in Exhibit B.
PFS	is the Performance Factor Shortfall calculated in accordance with Section 2 of this Exhibit F.
CC	is the Contract Capacity.
TH _y	is the total number of hours in the Contract Year “y”.
IPF _{AA}	is the Annual Average Imputed Production Factor set out in Exhibit B expressed as a decimal, to three (3) decimal places (by dividing such percentage by 100).

5. Notice of Default by Security Agent

The parties hereto agree that the IESO shall not be bound or have any obligation to make any inquiry regarding the status of the Supplier’s account with the Security Agent or regarding any breach or default under or pursuant to the Security Agreements other than the written notice (a “**Default Notice**”) to be given to the IESO by the Security Agent pursuant to Section 12.1(d) of the Contract, which may be accepted by the IESO as conclusive evidence of the Supplier’s default thereunder. Following receipt by the IESO of a Default Notice, the IESO may at all times, subject to transfer of such interest or entry into a New Agreement in accordance with Article 12 of the Contract, rely on the instructions (the “**Security Agent’s Instructions**”) of the Security Agent or its nominee or agent or a receiver or receiver and manager appointed in accordance with Section 12.2(d) until the Default Notice is withdrawn by the Security Agent by written notice to the IESO. EXHIBIT J CALCULATION OF MONTHLY PAYMENT

This Exhibit J sets out the calculation of the Monthly Payment. Except as expressly set forth below, all references to Sections are to Sections of the Agreement.

1. DETERMINATION OF MONTHLY PAYMENT

For Settlement Months, or partial Settlement Months, commencing on the Term Commencement Date, the Monthly Payment is calculated as follows:

$\mathbf{MP_m} = [\mathbf{IFP_y} \times \mathbf{CC} \times \mathbf{IPF_{AA}} \times \mathbf{SMH_m} \times \mathbf{FMCRF_m}] - [\mathbf{IPP_m} \times \mathbf{IPF_m} \times \mathbf{CC} \times \mathbf{SMH_m} \times \mathbf{FMCRF_m}] - \mathbf{NPC_m} + \mathbf{DARTA_m}$	
where:	
$\mathbf{MP_m}$	is the Monthly Payment (in \$ for the Settlement Month “ <i>m</i> ”)
$\mathbf{IFP_y}$	<p>is the Indexed Fixed Price (in \$/MWh) in the Settlement Month “<i>m</i>” for Contract Year “<i>y</i>”.</p> <p>For the first Contract Year, the Indexed Fixed Price shall be equal to the amount set out as the Fixed Price in Exhibit B, (the “FP_B”).</p> <p>For the second and each succeeding Contract Year, twenty percent (20%) of the Fixed Price shall be adjusted on the first day of such Contract Year to the percentage increase or decrease (if any) between the CPI effective as of the first day of such Contract Year compared with the CPI effective as the first day of the first Contract Year, such that $\mathbf{FP_y}$ shall be calculated as follows:</p> $\mathbf{FP_y} = (\mathbf{FP_B} \times 0.2 \times \mathbf{IF_y}) + (\mathbf{FP_B} \times 0.8)$
$\mathbf{IF_y}$	<p>is the Index Factor for Contract Year “<i>y</i>” and shall be calculated as follows:</p> $\mathbf{IF_y} = \mathbf{CPI_y} / \mathbf{CPI_B}$
$\mathbf{CPI_y}$	is the CPI applicable to the calendar month immediately prior to the first day of Contract Year “ <i>y</i> ”.
$\mathbf{CPI_B}$	is the CPI applicable to the calendar month immediately prior to the Term Commencement Date.
\mathbf{CC}	is the Contract Capacity (in MW).

IPF _{AA}	is the Annual Average Imputed Production Factor in the Settlement Month “ <i>m</i> ” set out as such in Exhibit B.
SMH _m	is the number of hours in the Settlement Month “ <i>m</i> ”, provided that if the Settlement Month is the first or last Settlement Month of the Term, the SMH _m will be only the number of hours in the Term in such Settlement Month.
FMCRF _m	<p>is the Force Majeure Capacity Reduction Factor for Settlement Month “<i>m</i>” which shall be equal to 1.0 if there are no Outages affecting the Facility in the Settlement Month resulting from an event of Force Majeure, otherwise it shall be calculated as follows:</p> $\mathbf{FMCRF_m = 1 - \frac{FMOH_m}{SMH_m}}$
FMOH	is a Force Majeure Outage Hour, which is a clock hour in Settlement Month “ <i>m</i> ” for which the Facility is the subject of an event of Force Majeure.
FMOH _m	<p>is the total number of Force Majeure Outage Hours in Settlement Month “<i>m</i>”.</p> <p>In determining Force Majeure Outage Hours occurring during a Settlement Month, an hour may be a partial Force Majeure Outage Hour as a result of an inability of the Facility to produce at the full Contract Capacity or as a result of an event of Force Majeure lasting for a part but not all of an hour. An hour in which either such partial Force Majeure occurs (or both of them) will be counted as a fractional Force Majeure Outage Hour by subtracting from one the quotient obtained by dividing: (i) the maximum output of the Facility in that hour that could have been achieved given the partial Force Majeure or derate (in MWh) by (ii) the Contract Capacity multiplied by one (1) hour (in MWh). This fraction will be the contribution of that hour to the FMOH in the given Settlement Month.</p>
IPP _m	is the Imputed Production Price for Settlement Month “ <i>m</i> ” and which will be (i) for any Facility that is a Wind Facility or a Solar Facility, the lower of (a) FWAP _m or (b) the simple average of the ADALMP for each Dispatch Interval in the month, with any negative ADALMP deemed to be \$0/MWh, or (ii) for any Facility that is not a Wind Facility or a Solar Facility, the simple average of the ADALMP for each Dispatch Interval in the month, with any negative ADALMP deemed to be \$0/MWh.
IPF _m	is the Monthly Imputed Production Factor corresponding to Settlement Month “ <i>m</i> ” as set out in Exhibit B.

FWAP _m	is the Forecast Weighted Average Price (in \$/MWh) for the Facility for Settlement Month “ <i>m</i> ”, calculated according to the following formula: $FWAP_m = TFFR_m / TFFQ_m$
TFFR _m	is the Total Facility Forecast Revenue for Settlement Month “ <i>m</i> ” and is the sum, for each Dispatch Interval in the Settlement Month, of the ADALMP multiplied by the FDAQ for each such Dispatch Interval, with any negative ADALMP deemed to be \$0/MWh.
FDAQ	is the Forecast Day-Ahead Quantity and means, for each Dispatch Interval in the DAM, the portion of the Facility’s Contract Capacity (in MW) that is forecasted by the IESO Centralized Forecast, for purposes of the DAM, to be generating in such Dispatch Interval, provided that if the Facility is subject to an Outage at the time of such forecast, the Forecast Day-Ahead Quantity will be determined by the IESO Centralized Forecast, modified to reflect the forecasted generating capability of the Facility in such Dispatch Interval if the Facility had not been on Outage.
TFFQ _m	is the Total Facility Forecast Quantity for Settlement Month “ <i>m</i> ” and is the sum of all FDAQ for each Dispatch Interval in the Settlement Month.
ADALMP	means, with respect to any Dispatch Interval, the DAM locational marginal price for energy (in \$/MWh) at the Connection Point for the hour to which the Dispatch Interval belongs. During any DAM Suspension Day, ADALMP shall be deemed to be the ARTLMP in each hour of such day.
IESO Centralized Forecast	means the forecasted generating capability for the Facility (in MW) for a given Dispatch Interval established by or on behalf of the System Operator pursuant to the IESO Market Rules.
ARTLMP	means, with respect to any Dispatch Interval, the real-time locational marginal price for energy (in \$/MWh) at the Connection Point.
NPC _m	is the Non-Performance Charge (in \$) applicable for the Settlement Month (if any) calculated in accordance with Exhibit F and included in the Monthly Payment corresponding to the first Settlement Month of a Contract Year starting after the end of the first Contract Year. In all other Settlement Months, NPC shall be zero.
DARTA _m	is the Day-Ahead-to-Real-Time Adjustment (in \$) for the Settlement Month which is the sum of all DARTA _h for all hours in the Settlement Month calculated in accordance with Section 1.2 of this Exhibit J.

2. The Day-Ahead-to-Real-Time Adjustment for each hour “*h*” in the Settlement Month (“DART_{*h*}”) is calculated as follows:

<p>If $[\min(\text{ADAQ}_h, \text{FDAQ}_h) \times \text{ADALMP}_h] + \text{ARTLMP}_h \times [\text{FRTQ}_h - \min(\text{ADAQ}_h, \text{FDAQ}_h)] \geq 0.85 \times \text{ADALMP}_h \times \min(\text{ADAQ}_h, \text{FDAQ}_h) \times \text{IFDF}_h$, then $\text{DART}_{A_h} = \\$0$.</p> <p>If $[\min(\text{ADAQ}_h, \text{FDAQ}_h) \times \text{ADALMP}_h] + \text{ARTLMP}_h \times [\text{FRTQ}_h - \min(\text{ADAQ}_h, \text{FDAQ}_h)] < 0.85 \times \text{ADALMP}_h \times \min(\text{ADAQ}_h, \text{FDAQ}_h) \times \text{IFDF}_h$, then $\text{DART}_{A_h} = 0.85 \times \text{ADALMP}_h \times \min(\text{ADAQ}_h, \text{FDAQ}_h) - [\text{ADALMP}_h \times \min(\text{ADAQ}_h, \text{FDAQ}_h) + \text{ARTLMP}_h \times [\text{FRTQ}_h - \min(\text{ADAQ}_h, \text{FDAQ}_h)]]$</p>	
<p>where:</p>	
ADAQ _{<i>h</i>}	is the Actual Day-Ahead Quantity applicable to hour “ <i>h</i> ”, and is equal to the Electricity Scheduled for DA Delivery for all Dispatch Intervals in hour “ <i>h</i> ”.
FDAQ _{<i>h</i>}	is the Forecast Day Ahead Quantity applicable to hour “ <i>h</i> ”, and is equal to the sum of the FDAQ for all Dispatch Intervals in hour “ <i>h</i> ”. Notwithstanding the foregoing, if an IESO DAM Energy Forecast has not been published for all Dispatch Intervals in hour “ <i>h</i> ”, FDAQ _{<i>h</i>} shall be deemed to be equal to ADAQ _{<i>h</i>} .
FRTQ _{<i>h</i>}	is the Forecast Real-Time Quantity and means, for each Dispatch Interval, the portion of the Facility’s Contract Capacity (in MW) that is forecasted by the IESO Centralized Forecast to be generating in such Dispatch Interval in the IESO’s real-time energy market, provided that if the Facility is subject to an Outage at the time of such forecast, the Forecast Real-Time Quantity will be determined by the IESO Centralized Forecast, modified to reflect the forecasted generating capability of the Facility in such Dispatch Interval if the Facility had not been on Outage.
ADALMP _{<i>h</i>}	is the ADALMP (defined in Section 1.1 above) for each Dispatch Interval in hour “ <i>h</i> ”, with any negative ADALMP deemed to be \$0/MWh.
ARTLMP _{<i>h</i>}	is the ARTLMP (defined in Section 1.1 above) for each Dispatch Interval in hour “ <i>h</i> ”, with any negative ARTLMP deemed to be \$0/MWh.

EXHIBIT K

ARBITRATION PROCEDURES APPLICABLE TO SECTIONS 1.6 AND 1.7

The following rules and procedures (the “**Rules**”) shall govern, exclusively, any matter or matters to be arbitrated between the Parties under Sections 1.6 and 1.7 of this Agreement.

1. **Commencement of Arbitration** – If the Parties and, at the Buyer’s option, all Other Suppliers required by the Buyer to participate, have been unable to reach agreement as contemplated in Sections 1.6 and 1.7 of this Agreement, as applicable, then the Buyer shall commence arbitration by delivering a written notice (the “**Request**”) to the Supplier and such Other Suppliers required by the Buyer to participate (collectively the “**Suppliers**”). If the Buyer has not already done so, the Buyer shall then deliver to the Suppliers the names of such Other Suppliers. Within twenty (20) days of the delivery of the Request, the Buyer shall deliver to the Suppliers a written notice nominating an arbitrator who shall be familiar with commercial law matters and has no financial or personal interest in the business affairs of any of the parties. Within twenty (20) days of the receipt of the Buyer’s notice nominating its arbitrator, the Suppliers shall by written notice to the Buyer nominate an arbitrator who shall be familiar with commercial law matters and has no financial or personal interest in the business affairs of any of the parties. The two (2) arbitrators nominated shall then select a chairperson of the arbitration panel (the “**Arbitration Panel**”) who shall be a former judge of a Superior Court or appellate court in Canada.
2. **Application to Court** - If the Suppliers are unable to agree on the nomination of an arbitrator within twenty (20) days of the receipt of the Buyer’s notice nominating its arbitrator, any of the Suppliers or the Buyer may apply to a judge of the Superior Court of Justice of Ontario to appoint the arbitrator. If the two (2) arbitrators are unable to agree on a chair person within thirty (30) days of the nomination or appointment of the Supplier’s arbitrator, any of the Suppliers or the Buyer may apply to a judge of the Superior Court of Justice of Ontario to appoint the chair person.
3. **General** - The Arbitration Panel, once appointed, shall proceed immediately to determine the amendments to the Agreement and/or the Replacement Provision, as the case may be, in accordance with the *Ontario Arbitration Act, 1991* and, where applicable, the *Ontario International Commercial Arbitration Act*, it being the intention of the Buyer and the Supplier that there be, to the extent possible, one arbitration proceeding and hearing to determine the amendments to the Agreement and/or the Replacement Provision. Unless otherwise agreed by the Parties, the Arbitration Panel shall determine the conduct of the arbitral proceedings, including the exchange of statements of claim and defence, the need for documentary and oral discovery and whether to hold oral hearings with a presentation of evidence or oral argument so that the award may be made within the time period set out below. Each of the Suppliers shall have a right to participate in the arbitration proceeding.
4. **Consolidation** – The Parties agree that should the Arbitration Panel determine that the amendments to the Agreement and/or the Replacement Provision needs to be determined through more than one (1) arbitration proceeding, then the Parties agree that the Arbitration Panel shall determine whether the arbitration proceedings shall be consolidated, conducted

simultaneously or consecutively or whether any of the arbitration proceedings should be stayed until any of the others are completed.

5. **Award** - The award of the Arbitration Panel, which shall include the amendments to the Agreement and/or Replacement Provision, shall be made within six (6) months after the appointment of the Arbitration Panel, subject to any extended date to be agreed by the Parties or any reasonable delay due to unforeseen circumstances.
6. **Costs** – The Parties shall pay their own costs of participating in the arbitration proceedings.
7. **Fees** - Each of the arbitrators on the Arbitration Panel shall be paid their normal professional fees for their time and attendances, which fees together with any hearing room fees, shall be paid by the Buyer.
8. **Computation of Time** - In the computation of time under these Rules or an order or direction given by the Arbitration Panel, except where a contrary intention appears, or the parties otherwise agree:
 - (a) where there is a reference to a number of days between two events, those days shall be counted by excluding the day on which the first event happens and including the day on which the second event happens, even if they are described as clear days or the words “at least” are used;
 - (b) statutory holidays shall not be counted;
 - (c) where the time for doing any act or any order or direction given by the Arbitration Panel expires on a day which is not a Business Day, the act may be done on the next day that is a Business Day; and
 - (d) service of a document or notice or any order or direction given by the Arbitration Panel made after 4:00 p.m. (Toronto time), or at any time on a day which is not a Business Day, shall be deemed to have been made on the next Business Day.
9. **Place of Arbitration** - The arbitration, including the rendering of the award, shall take place in Toronto, Ontario, which shall be the seat of the proceedings. The language to be used in the arbitration shall be English.
