What additional information should be considered as part of the Scoping Assessment?	Click or tap here to enter text.

Topic	Feedback
What additional considerations, based on local developments, should be taken into account for the areas identified as requiring further study?	Click or tap here to enter text.
What other areas or specific considerations should be examined through regional planning?	Concerns about reliability and prolonged outages at COTTFN; Interest in local generation and district energy opportunities

General Comments/Feedback

Chippewas of the Thames First Nation is interested in being involved in the development of the regional plan for the London area, both as Rights Holders and consumers.
