

Feedback Form

Regional Electricity Planning in the London Area – April 1, 2025

Feedback Provided by:

Name: Aaron Van Oorspronk

Title: Director of Infrastructure and Development Services

Organization: Township of Southwold

Email: [REDACTED]

Date: April 21, 2025

To promote transparency, feedback submitted will be posted on the [London Area engagement webpage](#) unless otherwise requested by the sender.

The Independent Electricity System Operator (IESO) is seeking feedback on the scoping assessment report. A copy of the report and a narrated video presentation can be accessed from the [engagement web page](#).

Please submit feedback to engagement@ieso.ca by April 15, 2025.

Topic	Feedback
What additional information should be considered as part of the Scoping Assessment?	Requests for high-capacity electrical service to the lands surrounding 11884 Sunset Road.

Topic	Feedback
What additional considerations, based on local developments, should be taken into account for the areas identified as requiring further study?	Talbotville Industrial Area, an area zoned for Industrial along Sunset Road from Talbot Line to Southminster Bourne. High usage tenants have express interest in these lands, one site actively under development.
What other areas or specific considerations should be examined through regional planning?	Capacity for residential developments in Talbotville, Shedden and Fingal.
