### Feedback:

Topic	Feedback
What are some of your key developments, projects or initiatives that might be considered in developing the electricity demand forecast?	<ul style="list-style-type: none"><li>• Development of a new goldmine (Greenstone Gold)</li><li>• Development of an Industrial Park</li><li>• Increased residential housing</li></ul>

Topic	Feedback
<p>Please tell us about any local electricity concerns that you may be experiencing.</p>	<ul style="list-style-type: none"> <li>• Frequent outages</li> <li>• Long lasting outages (both for planned repairs and unplanned outages)</li> <li>• Current radial line (A4L) was built in late 1930's and has little capacity for future development</li> </ul>
<p>Upon reviewing the <a href="#">draft engagement plan</a>, what information do you need to participate in this engagement?</p>	

### General Comments/Feedback

Appreciate the web seminar and the one-on-one information session.
