**Subject:** You're Invited – Regional Electricity Planning in Peterborough to Kingston Webinar #3 – December 9, 2026

**Date**: November 20, 2026 2:42 P.M.

---

**Regional electricity planning for the Peterborough to Kingston electrical region has advanced.** Regional planning looks at the unique needs of local areas and considers options and innovative resources to meet the needs. Your input will inform this important work.

This region generally encompasses the Cities of Belleville, Kingston, Peterborough, Quinte West, Prince Edward County, the Municipality of Clarington in the Region of Durham, the Town of Gananoque and the Counties of Frontenac, Hastings, Lennox and Addington, Northumberland, and Peterborough.

On **December 9, 2026 from 2:00 to 3:00 p.m.,** the IESO will host a webinar to present its **options analysis and draft recommendations to ensure long-term reliability of the electricity system and support economic growth needs for the Peterborough to Kingston region.**

These recommendations are informed by detailed assessments of forecasted electricity demand, infrastructure capabilities, and a range of potential solutions to address system requirements.

**Register here to participate in the December 9, 2026, 2:00 to 3:00 p.m. webinar.** Materials will be available in advance.

Upon registration, you will receive an email confirmation containing a calendar invitation with meeting details. **We encourage you to save this invitation to your calendar to ensure you have the access to the event details**.

All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous communities, businesses, stakeholders, and members of the general public.
