

IESO Webinar I GTA North Regional Planning

Regional electricity planning for the [GTA North](#) electrical region has advanced.

Regional planning looks at the unique needs of local areas and considers options and innovative resources to meet the needs. Your input will inform this important work. The GTA North electrical region generally encompasses York Region which includes the municipalities of Richmond Hill, Aurora, Newmarket, Georgina, King, Vaughan, Markham, East Gwillimbury, Bradford West Gwillimbury, and Whitchurch-Stouffville.

On July 8 at 10 am to 11:30 am, the IESO will host a webinar to share the electricity needs for the GTA North region and seek your early feedback on the initial screening of potential options. **[Register](#) to participate in the July 8 webinar.** Materials will be available in advance and written comments will be welcomed until **July 29** to engagement@ieso.ca.

Upon registration, you will receive an email confirmation containing a calendar invitation with meeting details. **We encourage you to save this invitation to your calendar to ensure you have the access to the event details.**

Visit our website to learn more about the [GTA North](#) region and the [regional electricity planning process](#).

All interested parties are invited and encouraged to participate including, but not limited to, local municipalities, Indigenous communities, businesses, stakeholders and members of the general public.

Best regards,
