

# Revenue Metering Standing Committee

**Meeting date:** 09/12/2021

**Meeting time:** 9:30 a.m.

**Meeting type/location:** Virtual/Microsoft Teams

**Chair/Sponsor:** Victoria Falvo, Sr. Manager, Meter Data Management

**Number of Sessions:** One (MMP and MSP)

## Objective

Review, inform, and discuss with Metered Market Participants (MMP) and Metering Service Providers (MSP) changes and updates with regards to revenue metering in the IESO-administered markets.

|   | Agenda Item                                                                                                                                                                                                                                                                                                       | Start Time |
