
MARCH 23, 2021

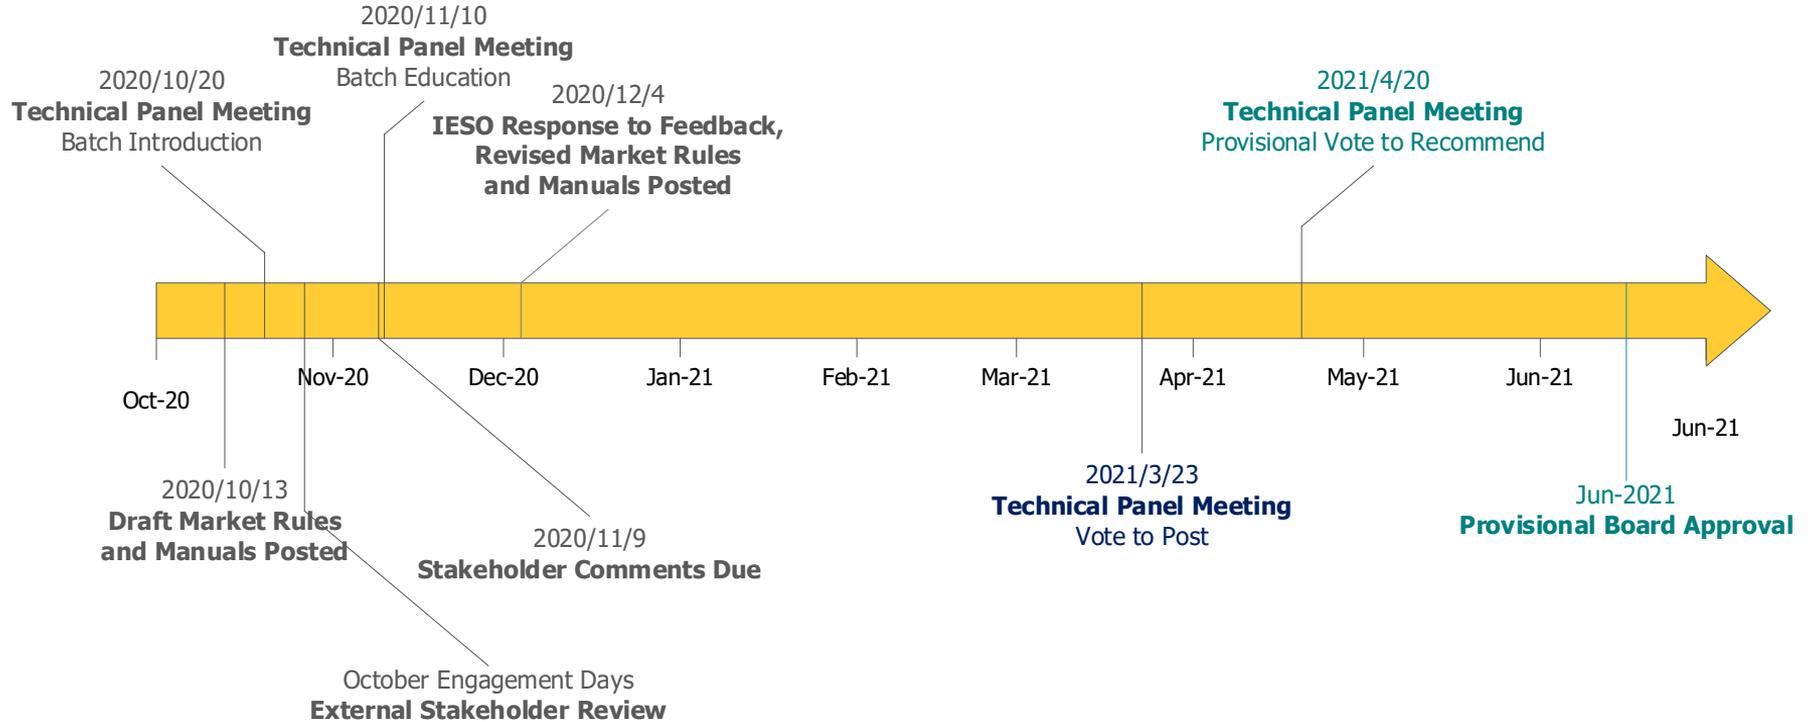

Market Renewal Program: Market Entry and Prudential Security

Jessica Tang – Energy Implementation Manager
Samantha Tam – Advisor, Market Rules

Agenda

- Schedule Update: Market Entry and Prudential Security (Batch 1)
- Stakeholder Comments and Incremental Revisions to Proposed Market Rule Batch 1 Amendments
- Process Recap

Schedule Update: Market Entry and Prudential Security

Stakeholder Comments

- Received feedback from OPG and the Electricity Distributors Association
- No specific comments on market rule amendments
- Requests for further implementation details will be addressed as the IESO continues to work with stakeholders through the implementation and market participant readiness phases of MRP
- All feedback and IESO responses can be found: [IESO Response to Stakeholder Feedback](#)

Incremental Revisions since December 4th posting for Stakeholder Review

Detailed Design Document v2.0 Changes, language correction

- New registration parameter for pseudo-unit: duct firing 10-minute operating reserve capability
- Reference quantity as new registration parameter to support market power mitigation
- Market associate is replaced by market control entity

Market Rules Incremental Revisions

- Amend Ch7, 2.2.6G.2; Ch11 to include additional registration parameter for duct firing 10-minute operating reserve capability
- Amend Ch7, 2.1.1.4 to include reference quantity
- Amend Ch2, 1.2.2.7; Ch7, 2.1.1.4 to use market control entity
- Amend various sections for language, cross referencing and grammatical updates

Process Recap

- Provisional vote to recommend targeted for the April 20, 2021 TP meeting – IESO is not seeking a formal recommendation.
- Provisional recommendations are intended to assist Technical Panel in making progress through its review of the proposed market rule amendments and to assist the IESO Board in its own review of each Batch.
- Provisional recommendations would be subject to the Technical Panel’s review of each subsequent Batch, and formal recommendation to the IESO Board following Technical Panel’s review of the final Batch.
- For further detail, please see [Market Rule Amendment Process for MRP](#) memo presented to Technical Panel on November 10, 2020.

Thank You
