Market Renewal – Energy Project Technical Panel Schedule

Jessica Tang

Manager, Energy Implementation

Agenda

Review and discuss the IESO proposal for the descriptions and scheduling of the Technical Panel meetings for the remaining four batches of work

Proposal for TP Engagement for Future MRP Batches

We are proposing four meetings for each of the remaining batches of proposed market rules:

- The first meeting is an education session
- The second meeting is a review and discussion meeting of draft rules pre-stakeholder review
- The third meeting is the vote to post
- The fourth meeting is the vote for provisional recommendation to the IESO Board

Proposal for TP Engagement (cont'd)

Meeting 1 - Education Session

- Design Level
- Summarizes key design elements from MRP
- Confirmation of near term timelines for TP review and engagement

Meeting 2 – Review and Discussion Session

- Draft Rules (pre-stakeholder review) walk-through and discussion
- Highlights key drafting elements and implementation strategies
- Initial questions from TP and confirm length for Meeting 3

Proposal for TP Engagement (cont'd)

Meeting 3 - Vote to Post

- Extended session to present proposed rule amendments (post-stakeholder review) and to discuss initial questions from Panel members prior to vote
- Meeting will highlight stakeholder comments and actions taken by IESO
- IESO staff and TP Secretariat may contact Panel members directly to collect additional information or to clarify comments in advance of Meeting 4 (a list of any such feedback and resolution will be shared with all TP members)
- Confirm length for Meeting 4

Proposal for TP Engagement (cont'd)

Meeting 4 – Vote for Provisional Recommendation

- Extended Session to discuss proposed rule amendments and to address panel member questions
- Discussion will include a summary of any direct conversations with panel members since previous meeting and provide feedback to any questions and/or comments
- A panel of IESO staff will present the final proposed materials so as to be able to respond to questions and issues within the meeting
