Jason Chee-Aloy (Renewable Generators)	
Rob Coulbeck (Retailers or Wholesalers)	
Ron Collins (Energy Related Businesses and Services)	I recommend MR-00466 Capacity Auction December 2021 to the IESO Board for consideration based on the following rationale:  The proposed amendments to the IESO Market Rules empower competition between additional resource types, contributes to meeting the IESO reliability needs in an economical manner, while attuning to fluctuating system requirements.
