Dear Mr. Lyle:

**Re: IESO Market Rule Amendments Numbered: MR-00473-R00**

I make reference to the above-noted market rule amendments, which were adopted by the Independent Electricity System Operator's (IESO) Board of Directors on October 6, 2022 (Amendments).

As you are aware, the publication of the Amendments establishes the timeline for certain activities under section 33 of the *Electricity Act, 1998 (Act)*. To provide greater transparency and certainty for the IESO, market participants and other interested stakeholders, this letter is to confirm that the Ontario Energy Board (OEB):

- has not revoked the Amendments under section 33(3) of the Act;
- has not commenced a proceeding on its own motion to undertake a review of the Amendments under sections 33(4) and 33(5) of the Act; and
- has not received an application for the OEB to undertake a review of the Amendments under section 33(4) of the Act.

The OEB would appreciate if the IESO would post this letter at the appropriate place on its Proposed Market Rule Amendments webpage.

Yours Truly,

Nancy Marconi  
Registrar
